## “Signs of Life”

By Pastor Lee

When Cindy and I lived in Charlottesville, there was a street near our house that had a dead end sign at its entrance. I passed by the street many times, but never paid much attention to it. Then, one day I decided to walk down the dead-end street. Sure enough, at the end of the street was a cemetery. It truly was a dead end.

Life is a short walk down a street that ends in the cemetery. We can ignore the sign and pretend it doesn't matter...but it does.

On Resurrection Sunday (A.K.A. Easter), we celebrate the removal of the dead-end sign in front of an empty tomb. Jesus died. But three days later, he came back to life. And that changes everything. For those who follow Jesus, a road construction crew comes into our street, takes down the sign, and paves the way to life eternal.

If that is good news to you, then pass it on. There are people everywhere who are still walking down dead-end streets. They need the hope of life beyond the cemetery. Invite them to our Resurrection Sunday celebration. Let's replace more dead-end signs with signs of life.

Happy Belated Birthday to Jo Beth who celebrated on 3/18.

(Please make sure all of your birthday and anniversary information is on file in the church office. We also need any changes in contact information, i.e. address, phone, email, etc.)

It has been a month since we switched from cox email to gmail. Does anyone have any feedback? Are you getting or not getting the notices from the church office? Please let us know.

Have a Happy Easter..  
Joyce

All children are invited—friends, relatives,

Donations of wrapped candies, small toys, and  
cash appreciated

It's hard to believe but we need to start planning for the annual Bunny Breakfast. This event is one of the times we can reach out to the community's children. They have such a great time hunting for the eggs and seeing the Easter Bunny( sometimes). We will need **volunteers** to help with setting up tables, supervising the children as they hunt for eggs, help in the kitchen and cleaning up after the event. Please let me know if you can volunteer.

Barbara Harrell

The menu is simple and has always been a big hit with everyone. We have Greg Dziagwa's famous pancakes, sausage patties, scrambled eggs, fruit cup, coffee and juice. Then the children go outside, weather permitting, and hunt for the eggs. The children are grouped according to age. They fill their baskets and return to the social hall where they empty their bounty of eggs, can visit the Easter Bunny and receive a bag of goodies in exchange for the eggs (some of the children don't want to let go of their eggs) a great time is had by all --so please join us .

**Please Fill Out and place in offering plate**

I/We plan to attend the Bunny Breakfast and Easter Egg Hunt on  
Saturday, April 13th. **Deadline for reservations -Sunday, April 7th**

## Kid Zone—What we do and what we are learning

We have had 5 wonderful months. The children have heard the stories of the *Creation, Adam and Eve, Noah and the Flood, the Birth of Jesus, the Wise Men and Jesus at the temple when he was 12 years old.* We have learned of *Jesus' Baptism and the temptations he faced in the desert.* We are now learning stories about *the 12 disciples and how they were chosen.*

With each lesson we do a craft to help the children remember the story. These pictures (here) show the children making Apostle jars. These jars are made with 12 different kinds of beans. You can see how intent they were in getting the beans into the bottles. We have so much fun singing, learning and growing in their knowledge of the Bible.

Our volunteers, Ms. Jamie, Jai Marie and Kathy help the children and myself. Please stop by anytime. The children would love to share what they are learning and doing.

Recently we had the privilege of learning about the Jewish “Seder Meal”. It was hands on for everyone. Thanks Mr. Liebman.

## The Pen Pal Project Update

**The pen pal program is going along very nicely. Aldersgate is writing to 20 students at Poplar Halls. At this time we have written 2 letters to our students. We received one letter and they are AWESOME!**

**Both pen pals are getting to know each other through the art of letter writing—isn't that great!**

**The last letter will be due in late April and then in May the pen pals will meet each other at a special gathering celebration at the school.**

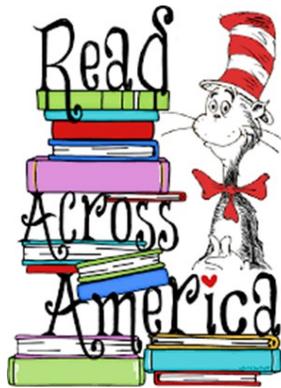

**A huge thank you to all those who are participating at Aldersgate! May God bless your new relationship with joy as you bless your student with your time, friendship and caring.**

Thank Aldersgate

Poplar Hall School this year staff have been so very grateful for the items we donated this winter; coats, mittens and hats. Several of the students have benefitted greatly keeping warm this winter.

The Aldersgate donations were indeed generous. Thank you again for showing your love to these school students.

Pastor Lee and Cindy were invited to Read Across America at Poplar Halls on March 1st. We read to two classes, 1st and 2nd grade. What a joy to hear the students participate as we read Dr Seuss books: “One Fish Two Fish Red Fish Blue Fish” and “Green Eggs and Ham.” What a wonderful privilege!
