

Where Is Jesus Now, For Me?

William Flanders

1. Where is Je - sus, now, for me? What re - la - tion-ship have we?
2. He is not an eas - y friend. He'll con-front as well as mend.
3. Man - y words of his I know, some au - then - tic, some less so.
4. Where is Je - sus, then, for me? Where is he I'll nev - er see?

Gos-pel words a - side, and creeds, and church, in my life what place has he?
He in - spires ___awe, but al - so fear. To de - ny this, why pre-tend?
And I have to choose, and some-times lose, and of cer - tain - ty let go.
Yet his spir - it lives and ev - er gives love and strength and ec - sta - sy.

Man-y Je - sus books I've read, man - y ser - mons fill my head.
But he is of God a child, nei - ther sweet, nor meek, nor mild.
No, it's not that he's all wise that ex - alts him in my eyes.
Je - sus prayed: God's king - dom come. Now, for me, this king - dom's home.

Is it I whoseeks, is it he at-tracts? Where have all my ques-tions led?
And he ur-ges us in ___ God to trust, ev - en when this trust's re - viled.
It's his need for God, my same need for God, that can fade, but nev - er dies.
When we en - ter in wedwell therewith him, Christ our host, who needs no throne.
