GIRLS SOCCER PROGRAM

Booster Club Reporter: When did you start playing your sport/how did you get introduced to it?

Veda Tappin: I started playing soccer when I was in preschool because my older sister played and I copied her in nearly everything.

Booster Club Reporter: Do you play any other sports?

Veda Tappin: I do not play any other sports.

Booster Club Reporter: What has your sport taught you/what lessons have you pulled from it?

Veda Tappin: Soccer has taught me self-discipline, teamwork, time management, and to give it your all.

Booster Club Reporter: What do you wish you knew when you were just starting?

Veda Tappin: When I was just starting, I wish I knew how much this sport would shape me as the person I am today.

Booster Club Reporter: What quote/inspiration do you resort to when things get really hard?

Veda Tappin: Each year, the seniors pick a quote for our season. This year we chose the quote "Remember why you started" because most of us started soccer for the love of the game.

Booster Club Reporter: Share something about you that isn't well known.

Veda Tappin: I've gotten stitches 3 times and staples once.

Booster Club Reporter: Where do you go from here? College plans?

Veda Tappin: I am going to the University of Colorado, Boulder this coming fall.

Booster Club Reporter: Do you have a role model?

Veda Tappin: My role model is my older sister Sydney because she is hardworking and genuine.
