July 10, Sunday – 2nd Collection **National Needs Combined Collection**

Black and Indian Missions

Recognizing a need to call the faithful to support missionary work among African American and Native American Catholics, the U.S. Catholic bishops established this Catholic Church charity for the Catholic Missions in 1884 to administer a national collection—the first of its kind in the United States—to support missionary work.

Ever since the first Collection in 1884, the Commission has administered the yearly, national Black and Indian Mission Collection. The generosity of the good People of God allows the Commission to give helpful grants to dioceses across the country to operate schools, parishes, and other missionary services that build the Body of Christ in Native American, Alaska Native, and Black Catholic communities.

Catholic University of America

Today's special second collection is for The Catholic University of America, unique among universities in the United States, as the national university of the Catholic Church. Nearly one third of all of the U.S. bishops, archbishops, and cardinals in our country are alumni, along with over 12,400 living priests and religious from around the world. Located in Washington, DC, the university provides an education based in Catholic intellectual tradition to nearly 7,000 students through its 12 schools – that include arts &

sciences, music, engineering, philosophy, social work, law, and business, in addition to ecclesiastical degrees in canon law and theology.

Your contributions will strengthen the work of our top scholars, many of whom help to explain catholic social teaching to the rest of the world. It will also support scholarships for students in our diocese and others in achieving our mission of preparing the next generation of leadership for our Church and nation – including those studying to become our future priests and religious. We appreciate your generosity.

Catholic Communications Campaign

The Collection for the Catholic Communication Campaign provides grants to Catholic organizations that share our experience of faith, worship, and witness through television, radio, social media, podcasts, and print media. Please support this important work and be generous in the collection. Your generosity is a direct act of witness in itself, as you facilitate the communication of the gospel message.

Catholic Home Missions Appeal

There are over 80 home mission dioceses in the United States. These dioceses are unable to fund essential pastoral work, such as religious education, seminarian formation, and lay ministry training, without assistance. Because of this, they struggle to serve the unique needs of their communities. Through your support, the Catholic Home Missions Appeal helps to ease the struggle of these dioceses and to form vibrant faith communities. Please help strengthen the Church at home by giving generously to this appeal.
