WHY DONATE?

SUPPORT CITIZENS IN CRISIS

Often there is no one available in the immediate aftermath of a tragedy to provide support and answer questions. TIP responders provide needed emotional first aid and resources to those in crisis till family, friends and a support system come together.

BOOST TIP'S IMPACT

TIP members are always available. They are called by law enforcement, firefighters, paramedics and hospital personnel to assist victims on any incident (natural death, suicide, drowning, homicide, medical emergency, rape, assault, robbery, burglary, structure fire, and vehicle accident.) TIP provides emotional and practical support.

INVEST IN A HIGHLY-TRAINED IMMEDIATE RESPONSE TEAM

TIP's Crisis Response Team is a group of highly-trained people available on a 24-hr / 365 day-a-year basis. TIP arrives within 20-minutes of being requested.
