November 2019

Mrs. Ortiz: Lead Teacher
Ms. Babbitt: Teacher Assistant

What's Been Happening?

October was a month of creating fall art! We made pumpkins, leaves, scarecrows and owls. The children are so amazed to see all the different colors of leaves falling from the trees. We were so excited to wear costumes on the 31st and have a small Halloween party in our classroom. As we move into November, we hope to transition more friends into becoming more comfortable using the toilet! This is a huge step to become more independent and responsible as a young toddler. Please continue to "potty train" with your child at home because we are practicing it here. Every day as we walked outside, we observed the changing leaves and noticed to how many more had fallen to the ground. We enjoyed watching the weather change.

Sincerely
Mrs. Ortiz

With the cold weather and rain coming, please remember to make sure your child will be warm on the playground. So, please remember to bring to school...

- thick coats
- gloves or mittens
- rain boots
- hats, hoodies or beanies

Thank you for labeling all your child's items to avoid confusion.

Happy Thanksgiving

It's November! What Are We Going To Do?

This month's theme is all about "Thanksgiving" and "Growing". We will study about our growing body and what it means to be "thankful." We will explore feathers for our sensory activities, obstacle courses for gross motor skills and water for science. We are glad to see your child grow and learn each and everyday!
