## AWARDS

Six ribbons will be awarded in each class. First place winners will receive a Good Horseman memento. Winners must pick up mementos and large awards; only ribbons and sashes will be mailed. There must be at least three entries in any division for any division award to be given.

● **Good Horseman's Cup for High-Scoring Horse:** A special neck sash will be given to the highest-scoring horse in the show age 4 years or older. Scores will be taken from Training through Fourth Level and regular FEI-level (PSG through GP) dressage tests (Adult Amateur, Jr./YR and Open Divisions). The winning scores will be "weighted" and additional percentage points will be added according to the level ridden in the following way: Training Level, no additional points; 1st level, 1 point; 2nd Level 2 points; 3rd Level 3 points; 4th Level 4 points; FEI-Level 5 points. The name and breed of horse, rider and owner will be engraved on a name plate on the silver GHF Cup which will be displayed at each show. When the plate spaces are filled up on the base of the trophy, the lucky final winner will get to keep the silver champagne cooler. Offered at all GHF shows. See **AWARDS CLARIFICATION** on Page 6.

● **Show's High Score and Reserve High-Score** sashes will be given to the riders achieving the first and second highest scores in the show in the following divisions: FEI (PSG through GP scores only); Adult Amateur, Junior/Young Rider and Open divisions Training through Fourth Level; and Freestyle (First Level through Grand Prix tests). There must be at least three entries in any division to qualify for high-score awards. If same person receives the top two or more scores, the reserve score will go to the next highest-scoring horse/rider combination. Winners receive a white dressage pad sponsored by **Pacific Rim Equine Products**, makers of good horse clothing. Special FEI-level tests, i.e. FEI Grand Prix (16-25) Brentina Cup, USEF Developing Horse Prix St. Georges and Grand Prix, etc., are not used in calculating high-score awards, including GHF Cup. See **AWARDS CLARIFICATION** on Page 6.

● **The Good Horseman "Good Rider" Award:** A dress sheet (cooler) will be awarded to the rider receiving scores of 8 or better in both rider places in the collective marks on their test at any Good Horseman show in an Adult Amateur, Junior/Young Rider and/or Open class. Only one cooler will be offered at each show; in case of a tie, the highest total score on the test will win. The award is sponsored by Prospect Hill Farm, Alpharetta, GA. Riders will be eligible to receive only one cooler per year. Offered at all GHF USEF/USDF competitions.

## GENERAL INFORMATION

This event is actually two separate one-day shows with two USDF/USEF competition numbers. The benefit: riders can get their two required qualifying scores in one weekend (see Regional Championships rules on Page 16.) The #1 Show is on Saturday and the #2 Show is on Sunday. Participants riding in both shows must fill out two separate entry forms and complete one signature page and pay separate fees for each day: i.e., if participating both days, the rider should pay for stabling, night watch fees on the 1st Edition entry form only. All other fees must be paid twice: drug fee, office fee and EMT fee. For non-members, both USDF and USEF non-member fees must be paid twice. See **On-Line Entries** below.

### REQUIREMENTS CHECK LIST:

The following requirements are for horses and riders entered in a USEF/USDF-recognized dressage show:

- ★ Rider must fill out the entry form and signature page from the current GHF prize list. A fillable entry form has been posted on the Show Info/ Ride Times page of the GHF website [www.goodhorseman.org](http://www.goodhorseman.org). CAUTION: See **SIGNATURES** below.
- ★ Riders, owners, trainers and coaches must be current members of the U.S. Equestrian Federation (USEF) or pay the USEF “show pass” non-member fee of \$30 per show. USEF cards are available on the USEF website: [www.usef.org](http://www.usef.org). Joint cards can be downloaded from [www.goodhorseman.org](http://www.goodhorseman.org) Ride Times/Show Info page.
- ★ Riders and owners/lessees must be current USDF members or pay the \$25 USDF non-member fee. The USDF non-member form is no longer required. Riders and owners/lessees who are not able to present proper USDF membership, NM identification number, or USDF horse registration credentials to the competition secretary, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. Affidavits are not only for current non-members without a membership card; they are for anyone, members or non-members, that cannot provide verification of their USDF number or horse number. A copy of a completed USDF Competition Affidavit Form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits may not be used at Great American Insurance Group/USDF Regional Dressage Championships.) Those entered in USDF Introductory, Pas de Deux and Quadrille classes are exempt from USDF and USEF membership.
- ★ **SIGNATURES:** If you are using the “fillable” entry form, the signatures will fill in automatically and are “legal” with USEF and no other signatures are needed UNLESS the rider is different than the TRAINER, then the trainer signature line will appear blank and will require the trainer to sign in handwriting. The coach’s auto-filled signature is legal too. If a paper (hard copy) entry form is used, the release page must be signed in ink by the rider, the owner or owner’s agent, the trainer and (if any) coach. The “trainer” signature is for the adult responsible for the horse at the show—initialed signatures are not accepted for rider/owner/trainer. If the rider has not reached age 18, usually the parent signs as trainer—the parent must be at the show with the rider. If the parent will not be at the show, then the instructor or other adult must sign for the junior. That person must be a USEF member or must pay the \$30 USEF “Show Pass” fee. The parent is not required to be a USEF member since the parent participates under the child’s/rider’s membership, unless the parent is the owner of the horse, then full membership requirements apply. The coach is the person being paid for lessons at the show and is responsible for the rider. That person also must be a USEF member or pay the USEF “Show Pass” non-member fee. An unpaid friend helping the rider does not have to sign as coach.
- ★ All horses must have a USEF Lifetime or Annual membership and USDF Lifetime Registration certificate or a USDF Horse Identification number (HID). If not, the \$25 USDF HID fee must be paid with the entry and the HID form must be filled out at the show. Exceptions: some horses do not need a USDF HID number (see the USDF HID application).
- ★ Riders and owners wishing their horses to be entered into Great American Insurance Group/USDF Regional Dressage Championships qualifying classes must be current members of USEF and Participating Members of USDF (not Group Members) or owners may be USDF Business Members, and their horses must have USEF Lifetime or Annual membership and USDF Lifetime Registration certificate. Copies of all cards are required with entry. Horse Identification (HID) numbers are not sufficient for qualifying classes.
- ★ Riders who are citizens of other countries must be members of USEF OR current members of their national federation and a copy of their foreign-member cards must accompany their entry form. If they are not members of USEF they are exempt from the Show Pass fee. Foreign rider licenses are no longer required.
- ★ Every horse on the grounds must include with their entry a copy of a current negative Coggins certificate within 12 months and documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. (See complete USEF rule below). The name on the certificate must match the name on the entry form and on the Coggins certificate. The original Coggins certificate must travel with the horse (Georgia law).
- ★ Out-of-state horses must have a current health certificate (Georgia law) and a copy of that certificate should be received by mail or e-mail no later than the Wednesday before the show. Or you can take a picture of it with your I-phone and e-mail it. We no longer have a FAX line.

**GR845 Equine Vaccination Rule 1.** At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers’ or veterinarian’s recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian. 2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration. 3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration. 4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested. 5. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee. BOD 1/17/15 Effective 12/1/15.

Entries received after the closing date may be accepted with a \$20 late fee per entry, until such time as the show is full or the data base must be closed for scheduling. After that time, competitors may choose to come to the show as a non-competing entry and fill scratches on paying the \$20 post entry fee per class, in addition to regular class fees.

**MISSING DOCUMENTS:** The show office does not have dependable internet connection. Consequently, management does not have ability to download missing documents (i.e., health certificates, member cards etc.) at the show. However, Avery Harper has internet connection and will make copies for you in his office at the shavings building for \$5 (for up to three documents). Call Avery at 770-860-9111 for details.

**HELMET RULE:** USEF Rule (DR120.1) requires that secured protective headgear (as defined in DR120.5) must be worn by all times while riders are in competition or riding on the grounds at USEF competitions. This rule applies to ship-in days prior to and after the show, and after show hours, anywhere on show grounds. This requirement includes FEI-level riders and those who may not be entered in the show. This regulation will be strictly enforced. Penalties include elimination and possible charges.

**COATS WAIVED:** When the temperature is above 85 degrees, show management will waive coats when the temperature plus humidity totals 170. The show's Emergency Coordinator keeps checking.

**SCHEDULING ADVISORIES:** Riders entered on three horses or more per day do so at their own scheduling risk. If show management is not able to schedule the additional rides to the satisfaction of the rider/owner, the entry fees will not be refunded. However, show management will try to accommodate them. Riders who have scheduling issues, please attach a sticky note to your entry form indicating which horse you would like to go first or if you need an early or late ride for some reason. Not every request can be fulfilled—but we will try.

**"NO SHOWS":** Competition management may reserve the right to fill a competitor's subsequent ride times if that competitor fails to notify the competition of his/her intention to scratch (i.e., is a "no show"). (DR126.3)

**WHIPS:** USEF rules allow that one whip no longer than 47.2 inches (120 cm), including lash may be carried in all classes, including most qualifying classes, except in USEF/USDF and or FEI championships. See DR120.5 for more complete details. Riders in FEI Pony tests must carry a whip no longer than 100 cm. Whips are allowed in FEI/USEF/NAJYRC qualifying classes.

**COMPETITOR NAME CHANGE:** If a competitor has changed his/her name but the horse recording is still listed under the previous name, the exhibitor must notify USEF and USDF of the name change by fax, e-mail or letter. After USEF and USDF have made the name change, the exhibitor can print an on-line card with the correct name on the membership card and the on-line horse card. See USEF GR1105-1108.

**DOGS MUST BE LEASHED ON A LINE NO LONGER THAN SIX FEET.  
WE DO NOT ALLOW BICYCLES ANYMORE BECAUSE OF PAST INJURIES TO RIDERS ON HORSEBACK.**

**STABLING** is mandatory. Please write your stabling requests (one name per group) on a Sticky Note or separate sheet and attach to entry form with map for large groups. The stalls have interlocking stall mats. Which barns will be used will be announced on the Ride Times page of the GHF website [www.goodhorseman.org](http://www.goodhorseman.org). All stalls have electricity, running water and steel doors. The dimensions of stalls in Barns 1 through 5 are 11'x12'; Barn 6 stalls are 10'x10'. Your stall assignments will be posted on the GHF web site's Ride Times page the week before the show. Those wishing to stay over Sunday night must include an extra \$35 stabling fee. Farm animals are not allowed at the show.

**BEDDING AND GOLF CARTS:** Queen Products now offers Curley shavings which may be purchased by calling Avery Harper at 770-860-9111, or e-mail: [queensalesgihp@gmail.com](mailto:queensalesgihp@gmail.com). Each stall comes with two bags of regular shavings. Straw bedding is not allowed—exceptions made only upon payment of an additional \$20 clean-up fee. Queen Wood Products also sells feed and rents golf carts.

**NIGHT WATCH:** Dennis Boggs is our night watchman. His cell number is 770-855-7403. He can open camper sites as well as help with other stabling issues. Dennis also offers personal care such as giving feed and water for an additional fee. Please call Dennis for information about this. He is on the grounds or in the show office all night Friday and Saturday.

**CAMPER INFORMATION:** Camper and RV hook-ups are available at \$35 per night. There is a camper lot next to Barn 6. It has everything except sewer connections. If you would like to be really close to your horse and competition arenas, please put a sticky note on your entry form and indicate Barn 6 and Camper. Please include your camper tag number or ID on your entry form. Horse trailers are not allowed in RV/ Camper lot without payment of the dry-camp fee. A "dry camp" fee of \$20 per night will be charged campers not requiring water or power no matter where the trailer/vehicle is parked. Hot/cold showers are located in RV/Camper/Trailer lot restroom across Main Street from Arena 9. Call our night watchman Dennis Boggs at 770-855-7403 to unlock stall or camper site.

The winners will receive a custom-designed pewter medal and neck ribbon. The awards will be presented at the Awards Ceremony in the covered arena on Sunday. See eligibility details below:

**2016 USDF/Dover Saddlery Adult Amateur Medal Program:** The USDF/Dover Saddlery Adult Amateur Medal Program is designed to specifically recognize and encourage adult amateurs riding at Second Level.

**1. USDF/Dover Saddlery Medal Recipient**

The eligible rider with the highest score of 60 percent or better in the designated Second Level Test Three class or applicable test of choice USDF/Dover Saddlery Adult Amateur Medal class at a participating competition will receive a handcrafted USDF/Dover Saddlery pewter medal and neck ribbon. Winners will receive a \$20 Dover Saddlery gift certificate for the first three USDF/Dover Saddlery Medals they win during the competition season.

**2. USDF/Dover Saddlery National Merit Award**

A USDF/Dover Saddlery National Merit Award will be awarded to riders winning three USDF/Dover Saddlery Medals in the same competition year.

**3. Year-End Awards**

The USDF/Dover Saddlery Medal National Champion and Reserve Champion are determined from the average of the top three winning ride scores during the competition year. The champion receives a \$1000 Dover Saddlery gift certificate and the reserve champion receives a \$500 Dover Saddlery gift certificate.

**Rider Eligibility**

1. Rider must have a current USDF Participating or Group Membership and be a member in good standing of USDF when the scores are earned.
2. Rider must be an adult amateur in accordance with Article GR1306 of the USEF rules and be designated with USEF as an adult amateur at the time the scores are earned.

**Owner & Horse Eligibility**

Horse and owner must meet minimum competition eligibility requirements at the time scores are earned.

For additional information and an updated list of competitions offering the USDF/Dover Saddlery Adult Amateur Medal Program, please visit:  
[www.usdf.org/awards/performance/adultmedalprogram.asp](http://www.usdf.org/awards/performance/adultmedalprogram.asp).

**AWARDS CEREMONY:** An awards ceremony (weather permitting) will be held on Sunday following the last ride before the lunch break. This program is for the winners of the show's sponsored prizes for rides performed on Saturday. The announcer will call for the winners. Mary Lou Freil is the organizer and will give instructions to those participating in the ceremony. Full-dress attire is required for everyone—coats will not be waived for this event. A winner may receive an award on foot if it is too hot for him/her to wear a coat while mounted.

**AWARDS CLARIFICATION:** If the award is a "horse award" the money/check will go to the owner and the sash/ribbon will go to the rider (they can choose to reverse this if they wish). If it is a "rider award," the rider will receive the sash/ribbon and the money/check, even if the owner is another person. If the award is for a GHF high-scoring horse/rider combination, the owner will receive the sash/ribbon and the rider will receive the dressage pad.

**ATTENTION, COMPETITORS:** Each competitor is responsible for supplying management with correct federation/association numbers (USEF and USDF) for horse, owner, rider and trainer before the days of the competition. The scores of competitors who fail to supply correct numbers may not be counted toward national awards.

**DEFINITIONS AND ELIGIBILITY:** Adult Amateur entries must be registered as such with USEF and must enclose a copy of their current USEF membership card. Individuals are eligible to enter as Juniors until the end of the calendar year in which they reach the age of 18. Individuals are eligible to enter as Young Riders from the beginning of the calendar year in which they reach the age of 16 until the end of the calendar year in which they reach age 21. Competitors may compete as Adults from the beginning of the calendar year in which they reach age 22. Riders who are 16 and 17 years old may compete as either Juniors or Young Riders but not both in the same show. Open classes are open to anyone eligible to compete, including professionals. Green Horses, for the purpose of this show, are horses which have not reached their seventh birthday in the current competition year. Horses under 36 months of age may not compete in any dressage under-saddle class (DR119.1). Proof of age should accompany the entry form of all three-year-old horses.

**NDPC "PONY CUP" CLASS:** GHF is offering two National Dressage Pony Cup Test of Choice Classes (Training Level through Grand Prix) on Saturday and Sunday at designated GHF shows in 2016, open to all riders, Adults and Juniors. To participate in the awards ceremony, ponies must perform Saturday and Sunday in the NDPC Test of Choice Class. Their scores will be weighted (then averaged) by the same weighted system that the show uses for its Good Horseman Cup winner (see Page 2.) Ponies must hold a USEF pony card or must be officially measured and certified at the show (see below). Ponies will receive GHF ribbons to sixth place in their class each day. First through sixth place National Dressage Pony Cup ribbons and an overall NDPC high-point award will be presented at the Awards Ceremony on Sunday. The program is sponsored by a group from USDF Region 3 interested in promoting the sport of dressage for ponies: Janie Pride of Midland, GA; Diana and Heidi Rose of Huntsville, AL; Evie Dinkins of Powder Springs, GA; Jim and Kathy Davis of Chattanooga, TN. National Dressage Pony Cup is an organization dedicated to promoting ponies in dressage. Through their partner-show program, they encourage USDF-recognized dressage shows to include pony classes. Every pony/rider combination entered in pony-only classes at a partner show will automatically be entered the NDPC year-end awards program. This way ponies will be competing at their individual level and division throughout the entire country. For more information: [www.dressageponycup.com](http://www.dressageponycup.com). (See Introductory Division for Ponies below.)

**PONY MEASUREMENT:** Owners of animals they wish to exhibit in a class limited to ponies or to be eligible for the *Through Connection Pony Awards* (see Page 2) must have a USEF pony measurement card or they must be measured by the show veterinarian and TD at cost to the exhibitor who will pay the veterinarian directly for a fee of no more than \$100. The show does not charge for this. Any pony entered in the show is eligible to be measured, but it is not required unless the pony is vying for awards or needs eligibility. Measurement must be arranged for ahead of time, usually early Saturday morning, so contact the show manager.

**USDF JR./YR INFORMATION:** To qualify for the 2016 Great American/USDF Regional Championships, eligible Young Riders must ride the FEI Young Rider Team Test to qualify for the FEI Young Rider division. The FEI Young Rider Freestyle is no longer used to qualify for the regional championships. Junior Riders (age 14-18) must ride the FEI Junior Team Test to qualify for the FEI Junior Division. Prior to riding in the class, riders must pay \$10 Qualifying Class fee to the competition secretary. The FEI Junior Individual and the Pony Individual and Team tests are no longer used for Great American Insurance Group/USDF Regional Championships qualifying.

**RC QUALIFYING AND OPEN DIVISIONS:** There are no "qualifying only" classes. Riders may qualify for the 2016 Great American Insurance Group/USDF Regional Championships in the class in their division designated the qualifying class. Specify "Q" for qualifying on the entry form and pay the qualifying fee. See the USDF pages for the qualifying rules and requirements. **SPECIAL NOTICE:** Horses entered in qualifying classes must be entered under the same and complete official name registered with USEF and USDF, and the name of the owner must be correct on BOTH USEF and USDF membership cards. All documentation should match the names of the rider and owner on the entry form.

**USDF RC QUALIFYING FEE:** Sometimes there are reasons why a competitor may want to withhold adding the \$10 USDF regional championships qualifying fee to his/her entry before closing date. Qualifying fees may be added at the show without penalty but will not be refunded.

**2016 USEF RULE CHANGES:** Please note any pending rule changes that may affect your participation in our competition. They will be posted on the USEF website, [www.usef.org](http://www.usef.org), Rule Book and Rule Changes.

**BRAIDER:** Trish Savard offers a braiding service. Call her at 413-244-3763 for appointment

**RESULTS:** Please be aware that our shows' official results are the scores that are posted on the GHF website's Show Results page and not what you may see streaming on Fox Village et al. There has been some confusion with this in the past for championships qualifying.

**FREESTYLE REQUIREMENTS:** In order to enter a freestyle class at any USEF level, a horse/rider combination must have achieved a score of 60% or above in the highest test of the declared freestyle level or any test of a higher level at a USEF-recognized show. Exceptions: USEF/USDF Championship classes, FEI Pony Rider, FEI Junior and Young Rider freestyle classes. A copy of the verifying test must be submitted with the entry for a freestyle class. Freestyle tapes must be given to the announcer at least two hours before the scheduled ride time.

**TESTS:** This show will use the current FEI dressage tests—see the FEI website: [www.fei.org](http://www.fei.org). This show will use the 2015 USEF tests (see USEF website: [www.usef.org](http://www.usef.org)), the 2015 USDF Introductory Tests A, B and C and the 2015 USDF Freestyle tests; 2012 USEF Rider Tests (Training through Second Level).

**GREEN HORSE DIVISION:** The show offers an Open division for green horses (see Definitions), using the 2015 USDF Introductory Tests A, B and C (GA, GB and GC) Anyone may enter this division or cross enter into other divisions except the Introductory Rider Division.

**INTRODUCTORY RIDER DIVISION:** Classes coded UA, UB and UC make up the Introductory Rider Division. Those entered in this division may not enter classes in any other division. This division is divided by Adults and Juniors/Young Riders if entries warrant. The tests ridden will be 2015 USDF Introductory Tests A, B and C (coded UA, UB and UC). Riders performing only 2015 USDF Introductory tests are exempt from the USEF and USDF non-member fees and USDF Horse ID fee. (See GR205-GR207)

**MOTORIZED VEHICLES:** Minors who do not have a valid driver's license, which allows them to operate a motorized vehicle in the state in which they reside, will not be permitted to operate a motorized vehicle of any kind including, but not limited to, golf carts, motorcycles, scooters or farm utility vehicles on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. Violations of this rule will be cause for sanctions against the parent(s), guardian(s) and/or trainer(s) who are responsible for the child committing the offense. Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals in accordance with Rule 6. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. GR1301.7

**NO LOOSE DOGS:** Dogs are not permitted to be loose on competition grounds and must be on a leash no longer than 6 feet or otherwise contained. Individuals must not lead dogs on a leash while mounted. Dog owners failing to comply with this rule may be subject to penalty under Chapters 6 and 7, as well as issuance of warning cards. GR1301

**RIDE TIMES:** Riding times and barn/stall numbers will appear on The Good Horseman website ([www.goodhorseman.org](http://www.goodhorseman.org)), usually the weekend before the show, but no later than the Tuesday before the show. Please check your times and let the show manager know if you see any scheduling problems.

**CONFIRMATION OF ENTRIES:** Receipt of all entries will be confirmed by e-mail upon receipt.

**ENTRIES** may be paid by credit card, check or by On-Line entries (see page 3). Entries may not be accepted unless accompanied by signed entry forms and COPIES of the rider's, owner's and horse's USDF/USEF cards, and trainer's and coach's (if any) current USEF cards. E-mailed entries may not be accepted without credit card information. Our FAX line has been disconnected; please use e-mail.

**SHARPS CONTAINERS:** Competition management shall place a minimum of one sharps container per each competition, whether or not stabling is provided. Additionally, at least one sharps container per fifty occupied stalls for the disposal of needles and other disposable sharp instruments in convenient locations in barns housing competition horses. It is competition management's responsibility to replace such containers when full and dispose of them properly. Competition management may fine any individuals including trainers, owners, exhibitors, or their agents up to \$100 for improper disposal of needles or other sharp disposable instruments. **Competition management will place a notice of this requirement either in its prize list or on a specific handout given to trainers on check in at the competition.** If local law has different requirements, local law will prevail. GR1210.4.

**ADDRESS:** Make checks payable to **The Good Horseman Foundation**; mail to 4567 Rockbridge Road #297, Pine Lake, GA 30072.

**RETURNED CHECKS:** A \$35 fee will be levied against any competitor whose check is returned from the bank (O.C. GA 16-9-20).

**REFUNDS** will be given in full prior to the closing date for any reason (See **Qualifying Fee**). After the closing date, there will be no refunds. However, in the case of illness or injury to horse or rider, a credit (excluding non-refundable drug fee, the office fee, any qualifying fees and cost of shavings if they are not recovered) may be issued toward a future Good Horseman show with a veterinarian's or physician's certificate (the certifying vet or physician may not be owner, rider or trainer) received by management no later than 10 after of the show. To get credit, rider or representative must notify the show secretary in person before show starts so the riding times may be filled. Do not use messages or e-mails without confirmation of receipt by the show. USEF requires competitors to notify the secretary when leaving the grounds before show ends.

**COMPETITION (BRIDLE) NUMBERS:** Show management requires that every horse on the grounds wear his/her competition number on the left side while the horse is out of his stall. Competitors who arrive on Saturday or Sunday must come to the show office to get their paperwork and bridle number because the bridle number must be on the horse before unloading.

**EVERY CLASS OFFERED HEREIN WHICH IS COVERED BY THE RULES AND SPECIFICATIONS OF THE CURRENT FEDERATION RULE BOOK WILL BE CONDUCTED AND JUDGED IN ACCORDANCE THEREWITH.**

**THE COMPETITION** committee reserves the right to add or divide classes, to add or substitute judges or make whatever changes are required by circumstances to the competition specifications herein for the improvement of the competition. Entries will be accepted if received by the entries secretary on or before the closing date. Entries may be submitted by mail or e-mail. FAX services have been discontinued.

**LATE FEE:** A \$20 late fee may be charged to competitors whose entries are received and accepted after the closing date. Postmarks do not count. This fee is in lieu of the post-entry fee. Late entries may be accepted only if space is available and will not be accepted after the Friday a week before the show after which they may be accepted only as post-entries at the show. Entries mailed the day before the closing date should be sent "Overnight" for next-day delivery to 4567 Rockbridge Road #297, Pine Lake, GA 30072, by Fed-X, UPS and U.S. Mail or sent by e-mail (see above "THE COMPETITION".)

**CANCELLATION OF CLASSES:** There will be no refunds if classes are canceled because of weather, accident or other emergency beyond our control.

**POST ENTRIES/CLASS CHANGES** may be accepted if space is available (to fill scratches, etc.) upon payment of regular show fees, regular class fees plus an additional post-entry fee of \$20 per class. Riders may add or withdraw **qualifying** to/from their entry may do so without penalty or charges, but there will be no refunds.

## 2016 GHF YEAR-END AWARDS

To be eligible for these awards, riders do not have to be GHF members nor do they have to submit their scores. Scores from all five Good Horseman shows (March, April, June, July and September) will be used. Final tabulations will be done by the GHF office at the end of the year following the September show.

It is the competitors' responsibility to check their scores that are published when the year-end results are posted on the GHF website's Awards page following the September show and to report any possible errors to the GHF office.

A special framed certificate will be mailed to the top horse/rider combination achieving the highest **percentile** (averaged percentage) in the following levels: Training through Fourth Level, Prix St. Georges, Intermediaire I and II, Grand Prix and Freestyle (any level). The Intermediaire tests will count as one level. Scores used will be from the Open, Adult Amateur and Jr./YR divisions only. Certificates will be mailed to the reserve high-score winners.

To compete for this award, riders must have at least three scores of 60% and above to be averaged (no scores will be dropped). Results below 60% will not be awarded.

Also awarded will be **The Good Horseman Medal** which will be given to riders achieving scores of 75% or better at Training through the FEI levels (Adult Amateur, Jr./Young Rider and Open divisions), excluding Freestyle, Introductory, the FEI Young Horse and Rider tests which are scored differently and cannot be compared.

## USDF Statement on Animal Welfare

USDF Statement on Animal Welfare The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals. Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved. The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed. Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life. While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival. As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

(Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.) Individuals cannot compete at a USEF-licensed/USDF-recognized competition with a USDF Education Membership.

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. **Memberships Defined**

**Participating Membership (PM):** A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$75), 5-years (\$300), or life (\$1,500). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21<sup>st</sup> birthday by December 1 of the current membership year (\$60). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan<sup>®</sup>/USDF Year-End Awards, Great American Insurance Group/USDF Breeders Championship Series Finals and the Great American Insurance Group/USDF Regional Dressage Championship program.

**Group Membership (GM):** A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

**Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$200) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

**Education Membership (EM):** A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

**Non-Member (NM) Identification Number:** For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$25 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

**Horse Identification (HID) Number:** A one-time tracking number for horses (\$25). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan<sup>®</sup>/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or Great American Insurance Group/USDF Breeders Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$70. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

**Lifetime Horse Registration (LHR):** A horse with an LHR (\$95) is eligible for Adequan<sup>®</sup>/USDF Year-End Awards, and eligible to compete at Great American Insurance Group/USDF Breeders Championship Series Finals and Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

# THE LAST TRACTOR YOU'LL EVER NEED

Bought my MF135, and it's still working hard today.

Years later, my son bought a compact tractor for his first piece of land.

I set aside a few acres for my first grandson. But he'll need to get his own Massey Ferguson.

1968 1970 1972 1974 1976 1978 1980 1982 1984 1986 1988 1990 1992 1994 1996 1998 2000 2002 2004 2006 2008 2010 2012 2014 2016 2018 2020 2022 2024 2026

Tough. Versatile. Dependable. Our tractors have been running in families for generations. Visit a dealer today and ask about our latest compact and mid-range tractors.
