Background Information (Who We Are)

Vest-A-Cop was formed following the shooting of Ridley Park Police Officer, Marc Hanly, in Norwood on August 30, 2015. Officer Hanly's life was saved due to the tactical bullet proof vest he was wearing that evening. Unfortunately, as a result of that incident, we have learned that many municipalities in Delaware County do not provide tactical vests for their officers or first responders. In an effort to ensure that all first responders are adequately equipped with the life-saving tools necessary, Vest-A-Cop was formed to help raise funds to purchase vests for those who do not have one or who cannot afford one.

Vest-A-Cop, a federally recognized non-profit charitable 501(c)3 organization. The official registration and financial information of Vest-A-Cop may be obtained from the Pennsylvania Department of State by calling toll free, within Pennsylvania, 1-800-732-0999.

Vest-A-Cop will be hosting many fundraising events throughout the year to raise the funds necessary to purchase vests.

Bulletproof Vest Application Information
