

# Christmas in the Movies

---

Nothing brings the holidays alive quite like a great holiday movie. What are the best and most beloved holiday films of all time? Join historian Leslie Goddard for an illustrated lecture and review of the book *Christmas in the Movies* by Jeremy Arnold.

We'll look back at some Hollywood classics -- including *Holiday Inn*, *Miracle on 34<sup>th</sup> St.*, *A Christmas Story*, *Elf*, *White Christmas*, and others -- to explore what makes each one a "Christmas movie". Learn behind-the-scenes stories about each movie's production, reception and legacy.

It's a glorious salute to why we love it when Hollywood does the holidays.
