SHOP open 9am – 6pm

CAFÉ open 9am – 5pm - We do a good cooked breakfast!

Please note:

- Glamping pitch is located in the Orchard; do not drive into the orchard - please park in the overflow car park and walk through south gate.
- Showers and toilets are opposite the shop-they are cleaned from 8.30-9.15am daily; please assist in giving the cleaner an easy life & try to avoid using them at this time.
- Wash house for washing up is in the building next to the toilets.
- Fires and barbeques allowed, but please only start fires in the existing bonfire pits - we sell firewood for £4.50 a bag or bring your own.
- Café tables & chairs are for customers use only.
- Water bottles can be filled up from the taps in the washhouse or from taps marked on map. Please note the water comes from a private supply. The source of this water is a spring on Falkland Hill, it is subsequently filtered and chlorinated. Although the quality of this water is usually acceptable for drinking, under certain circumstances the quality may be lower than you would expect from a public supply. See [www.privatewatersupplies.gov.uk](http://www.privatewatersupplies.gov.uk) for further information.
- Sorry, but we do not allow dogs in the camping areas.
- Respect fellow campers and residents; be considerate at night of other campers wanting to sleep.
- This is a working farm - please respect our equipment, crops and livestock. They are only here by a lot of hard work!

**PLEASE TIDY UP AFTER YOURSELF – RECYCLING BINS ARE BY THE CAFE AND ALL OTHER RUBBISH CAN GO IN THE BIN IN THE OVERFLOW CARPARK.**

Thank you very much and we wish you a pleasant stay!
