## General Meeting Minutes

Traci Gerard also announced the club would be raffling off a Coach purse, valued at \$350.00, at the Christmas Party. Tickets are \$5.00 a piece and you do not have to be present to win. Make sure you let her know if you will be attending the Christmas party, especially if you're bringing children.

Unfinished Business: A question was asked how much the proposed cost of the Christmas party was this year. It cost \$15.00 to attend.

### New Business:

- Mike Wyckoff gave an accounting of how many members we have as 12/12/19 prior to this meeting: 9 Board of Directors, 17 Voting Members, 156 Family Members for a total of 182 members of the possible 250. We also have 31 Life Members, 2 Jr Members and 1 Honorary Member. We have to send the report of members to the insurance company by April.
- Don Spearing mentioned that at the BOD meeting we talked about ways to bring in good people and we are looking for suggestions on improving the club. We are talking about an archery program, different guns to shoot and possibly allowing guests after checking with our insurance company.
- Traci Gerard mentioned we have two different insurance companies and that Cincinnati Ohio has no problem with guests but she still needs to check with the NRA.
- A suggestion was made to run an ad in the paper inviting new members.
- Dan Charles made the following comments:
  - We signed a contract with the forester. He will send out our information to a minimum of 100 loggers. They will start sometime after the New Year. We are asking them to leave all the logging roads intact and they will remove the trees that may fall on the road or buildings.
  - Since we are not cash strapped now we will be updating the ranges including backstops, target stands and installing railroad ties to protect the target stand pipes.
  - Mike Wyckoff and Dan are working on a list to determine life members. They are going thru membership applications as far back as 1962. Life members must have been a member for a minimum of 25 years and the number of years plus their age must equal 75.
  - The Christmas party is Saturday and they will clean the floors tonight. Doors open at 5:00 PM and we will eat around 6:00.
  - We have a bunch of pallets to use to hang targets and members can feel free to throw them away once they are no longer able to be used.
  - We will be offering more classes including RSO training and possible have members be certified to teach the hunters safety course. He does not know how you become certified to teach archery but he would like to offer that also.
