SUBJECT: ARTICLE #10 Interviews with U.S.A. Devel Leaders

TO: Governor Andrew M. Cuomo Office  
New York State Executive Chamber  
State Capitol, Albany, NY 12224

Dear Governor Cuomo Office, Greetings to you;

I AM Paulett Angella Hemmings EARTH, CHREATOR OF THESE EARTHS AND THE ONLY CHREATOR OVER ALL CHREATIONS. I AM THE CHREATOR OF LIFE AND OVER ALL LIFE, DEATH, AND ANYTHING INBETWEEN. NO PERSON OR THING IS HIGHER THAN I AM.

All Articles are COMMANDS from ME (I AM). My words or my speech are my ORDERS, UNLESS I SAY IT IS A COMMAND. Every and all Directions, Guidance, Plans, Rules, Orders, Commands, Comrandas, Comrandarium, etc., can never be disobeyed. If you do, you have serious penalties including charges and sentences on you. When I write the word ORDER anywhere, it means double ORDER. When I write the word COMMAND anywhere it means a double COMMAND.

On May 9, 2017, there was a discussion in one of the Ucalyptus Chreations, they told me that in recent months, many peoples have been missing their feet, and a few have missed their hands as well. They named Barak Obama to be the one stealing their feet and the fin handed Donald Trump to be the one stealing their hands. Barak Obama uses the stolen feet and adds electromagnetic to his feet, while some versions of Donald Trump are fin handed. This seemed to have been a problem for some time now and these problems travels from one place to another. Barak and Trump from the Natural Federal Cut-out were in this place as well, and they did not give any explanation why they were there cutting off and stealing body parts.

I asked Trump why did he go into Syria and Afghanistan? Trump said that Syria has good sugar and the Pablum. Trump said the Pablum is called Barley or wheat, and he does not want the Syrians to eat good food, as he cannot get into the people's body, so he has to find ways to tear them down. Donald Trump said he is God the Father, and it is he the one who took away the allowances from everyone. Trump said he is the one who put man to be the head of the house and for the man to lead the woman. Trump said he is the one who said that women and men must marry before they have children or have any relationship. Trump said he is the God the father who controls the bank and limits the bank from doing what it should.

Barak Obama said he is the one who is in charge of removing from the woman the sack that prevents women from feeling pain when giving birth. Barak said he is the Jesus and in charge of the Churches.

All good things happen

I asked Trump what he has against the Mexicans. Trump said he cannot get inside the bodies of the Mexicans when they come in the US, so he does not want them over here.

I asked Trump why attacking the Middle East. Trump said they have the Pablum or barley that they eat. The devils cannot get in them from a long time, so they do not want them in the USA.

I asked why are we getting horse meat on the supermarket shelves instead of beef. Barak said that the horse meat signifies the Ending time. I asked why the right fish are not in the markets and supermarkets. Barak said they remove some fish and switch some fish with other types of fish, so we cannot get it to eat. He said the fish farmers realize something is happening, but they cannot explain it.

Barak and Trump said they used the Waterboarding techniques to kill Whitney Houston. They said they stopped Michael Jackson from knowing about Ganja and Marijuana protection, as they are over the churches, and they have authority over the churches. They said they opened Michael Jackson's body up to the point where he does not have any time without them, these devil leaders in him.

Trump and Barak said they do not want the right medications to be on the market, so we get them to use. They want for us to suffer and feel the torture. They said they reduce the quality of the foods so they can get into our bodies. When we have too much fat and food protection it is bad for them. They said that Michelle Obama and Trump other wife is the Holy Spirit. This current wife of Trump, they said is not a Holy Spirit.

I asked what the Federal Judges said to them about what they are doing. Barak said that the Federal Judges said if I tell the judges to prosecute the Presidents, they will prosecute them. If I give the prosecution to others to prosecute, then the others will have to do it.

Barak said he told the banks not to give me my Trust fund and Estate fund. He said some people when they know who they are, they get an attorney to get the money from the bank, but they only get a small amount.

I ask Barak how much money each person is to get at this time. Barak said that each person is to get about 50 Trillion dollars from their trust fund. He said the Estate fund is much larger, as each person generation's estate is larger.

During the first week of May 2017, I had the opportunity to speak with some of the latest U.S.A. Presidents and their wives in the Natural Federal Cut-out. George W. Bush said he is guilty of the following: Raping everyone in the Earths; killing me many times when I regenerated; killing my husband many times; vectoring me from my body many times; taking and using my money illegally; taking things from inside my body and from everybody that no one is to do; torturing my vagina and my breast; raping me many times without my knowledge inside my body and while I am asleep; overriding my authority and doing things that are not to be done; raping and killing my generations for a long time; erasing my name from the District of Columbia's and many places such as: States, Towns, Cities, Countries, so no one knows about me, their Chreator and leader; taking the many Great Homes/mansions for the government properties and removing the owners from their properties; killing and destroying the many chreations in this Earth and in the many elevations and levels inside this Earth; moving me from city to city before I was born, so I cannot be born in the right person; taking my money and locking it in his bank account, so no one can find it or see it as it is locked; taking my
