Staying in touch with contestants....

Congratulations to all our contestants that made it to National Finals. I hope that the JR High families enjoyed their adventure filled week in Lebanon, TN. Just think that will be the last time for a few years that it is that close to us. Now as the HS families prepare for their long journeys across the states to Gillette, WY, maybe they can have clear weather all week. I hope all the contestants enjoy their experiences at both the JR High National Finals & the High School National Finals.

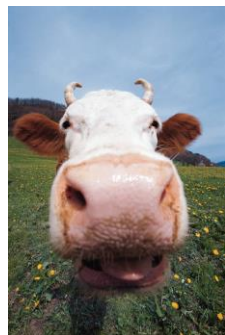

Next Membership Meeting – There will be a membership meeting in Greenville, KY on August 13, 2017 at 2:00 pm..

This will take place in the Fair board building or upstairs in the Ag building.

Remember the upcoming season...

The dates I am putting on this form are TENTATIVE.. They have been voted on, but we are waiting on final oks from the other organizations along with the facilities getting back with us. We still have to try to figure out the options for Reining Cow Horse and Cutting.
