**FEBRUARY 1985**

### **PRESIDENT'S LETTER**

In response to Ed Conduff's letter of December 1984 issue.

The Quad City Challenge Dart Match held in Columbus November 18, 1984. It is a fact that the Dayton Darters came in last place. It is also a fact that the 1983 Challenge Team (which came in a close second) was chosen by the exact same method of throwing (30) darts for score. It is also a fact that the selection committee for this event was made up of Ed Conduff, Steve Smith and chairman George Esposito.

The method used is not the factors that should be considered. The fact of the matter is that through help and instruction of the experienced players the skills of Cincinnati and Columbus has been greatly improved. The so-called top darters of Dayton will only help someone if they are willing to throw for money and line their pockets for the lesson. When a top Dayton darter is placed in a situation that calls for encouragement to the lesser darter, they will tease and ridicule. Dayton will only become more competitive when the newer generation that is progressing speedily replaces the older, selfish clik that are holier than thou. We are picking the top competition in which to compete, such as Cincinnati, Columbus and Cleveland.

If all we wanted to do is win and boast of our heroics we would have chosen teams such as Toledo or Detroit that are themselves in the ranks of the beginners. I do agree our system of selection could use changing. The Executive Committee is always eager to listen to suggestions. It is unfortunate that because people do not win they tend to blame the system, rather than striving to improve themselves and their team. Let us pull together and grow as a group instead of boasting of our individual achievements.

Jim Richie  
President, D.D.A. (also Gem Division)

### ATTENTION TEAM CAPTAINS

This applies to both home and visiting teams and a 2 point penalty will be charged to your team for failure to comply. A 3 point fine will be charged to the home team if you don't mail the result card so it is received by the DDA within 7 days after the match.

Do your team a favor . . . Call and mail your results in on time. The new phone number is 294-5516, mail the results to the address on the score-card.

The DDA Awards Banquet is in the planning stage. A tentative date of May 18 has been set. Although no site has been named many are under consideration. To hopefully bring out more members of the DDA, a more informal affair is planned. The banquet is where new officers are elected and the trophies are awarded. Remember, your vote is important so please plan to attend. More info will be available in the next newsletter.

### DAYTON PRO-DART LEAGUE

The Tuesday night Dayton Pro-Dart League got off to a great start Jan. 15 with 15 4-person teams. I've heard everyone had a lot of fun. I think having the ladies throwing in all the events makes for good fun and excitement. Of course I had one or two complaints after the first nights competition. But you can't please everyone. I'll try my best to work the bugs out and hope that each and every one has a good time.

To all the Captains - I'd like to point out the necessity of filling-out the score cards correctly. There is money involved and it's very important that the dues portion is marked correctly so that Becky and I can keep accurate records.

If there are dart players out there who are interested in subbing or playing regular, contact me, Steve Smith, at 879-5659.

## UPCOMING D.D.A. TOURNAMENTS

### DAYTON DARTING ASSN. CITY CHAMPION QUALIFIERS

These events will start at the individual's team level and advance through divisions to eventually determine a league champion for the 1984-1985 season.

#### TEAM CHAMPION

a. Each team will hold a round robin best 2 of 3 501 to determine their team's representative to the division champion's play-offs. (A round robin event is one where each player involved plays all the other players.) Each match is worth one point. Team member with the most points will advance. In case of tie, tied players will play another best 2 of 3 to determine winner (if there are more than two players tied a round robin involving tied players will immediately take place).

b. Each team will be responsible to pay their team champion's \$5.00 entry fee to the division championships. (e.g. 4 players on a team attempt to qualify so \$5.00 divided by 4 = \$1.25 each.)

c. Any team member that has played within his/her team and failed to qualify, may pay their own \$5.00 entry fee and play in the division championship. (You may buy your way back in at this time, but if you fail to do so you will not be given another opportunity!)

d. See below dates for events!

#### DIVISION CHAMPION

a. Each division will hold a round robin event, all games 501, to determine a division champion and runner-up to advance to the City Champion play.

b. Each division will pay a \$20.00 fee for their two representatives to advance. Said fee is to be deducted from all fees received from individuals and teams.

e. Any division players having attempted to qualify and failed to do so, may pay their own \$10.00 entry fee and play in the City Championship.

f. A modified (e.g. 8 player bracket) may be used if participation warrants. (e.g.24 players)

#### CITY CHAMPION

a. The D.D.A. will hold a round robin (or modified round robin) to determine a City Champion for 1984-1985. All games 501 and best 3 of 5.
