The newly constructed facility is attached to the north side of Mease Elementary School in Dakota City. Sande Construction of Humboldt was the general contractor on the \$1.18 million project.

Kiddie Cats will have a capacity of 107 children age 0-5, plus additional capacity for after school children.

There are three infant rooms, two rooms for ages 2-3, two rooms for ages 3-4, plus a flex room, which can be used for what is needed at that time. In addition, the Mease school gym is licensed for additional programming as well.

Kiddie Cats will employ 20 people once it meets
