Robert Wolfe

Independent Railroad Consultant;
Construction Management / Track
Inspection and Maintenance

Mr. Wolfe has 40 years of experience in railroad track planning, maintenance, and construction with CSX Transportation. He held various positions with CSX Transportation and Seaboard Systems. 1973-1983 he was with Seaboard Systems and began as a Trackman and then moved up to Assistant Foreman, Track Foreman working on rail gangs, T&S gangs, extra gangs, and sections. He was a Mechanized Gang Supervisor in Atlanta Ga from 1983-1985 and was responsible for planning and coordinating production work for the Atlanta Division for Seaboard Systems. In 1985, Mr. Wolfe moved to CSX Transportation as a Roadmaster at Birmingham AL. His responsibilities were leading, directing, and managing the day to day activities of the territory that pertain to the safety for track engineering, maintenance, and construction. From 2002 until his retirement in 2015, he was the Assistant Division Engineer of Track for the Atlanta Division and was responsible for the operating budget, manpower, track inspections, track maintenance and construction, and managing materials and equipment. Mr. Wolfe has been with H2M Railroad Consulting since 2015 and is Roadway Worker Trained, E-Railsafe certified and F.R.A. Track Inspection qualified.
