Testimonials

"Barbara is one of the most ethical, honest, and hard working people it has ever been my pleasure to associate with. She knows her stuff, has a great eye for design, and knows how to help turn an objective into reality. Do yourself a favor - hire her to help with your marketing - it'll be the best decision you make this year." - Rob Weinberg, President/Chief Strategist, MarketBuilding Team

"I am writing to thank you for your superb work on our law firm's e-mail campaign. As you know, I was somewhat reluctant to implement all of your suggestions, but we did it and the results have been amazing. Last month our open rate increased 32% and we have had nothing but positive feedback from the legal community. In retrospect, hiring you was a no-brainer!" - David Crum, Esq, Principal, New Mexico Legal Group

"I want to let you know that our 3rd Thursday event had a turnout of around 975 people last night! Your work and great ideas were absolutely part of that wonderful success so I want to thank you very much." - Meaghan Cavanaugh, Director of Communications, Albuquerque Museum Foundation

"Reaching, and effectively capturing our customers' attention on a regular basis had been a challenge until we contracted with Barbara Roman to creatively manage our customer group lists. Barbara has done everything from creatively capturing our customers permission based information, to designing campaigns, and managing our email programs. It has been invaluable to have Barbara do all of this for us. She is very conscientious, accurate, and genuinely interested in advancing our business as a result of her efforts. She is very adept at the many technical aspects of this tool. I would highly recommend Barbara Roman. She has helped tremendously in growing our business." - Joseph Galli, Owner, Oak Park Home & Hardware, Inc.

And on another occasion:

"Barbara, FYI, I had 75,792 hits on my website on Nov. 13th (the day the campaign was sent out). Average has been 20,000 to 40,000 per day." - Joseph Galli, Owner, Oak Park Home & Hardware, Inc.

"I have hired Barbara on more than one occasion, and each time the results were fabulous. Barbara is a creative and innovative person who can be trusted with your most critical project. Barbara delivers on her promises!" - Lee Presser, Lic. Assoc. Real Estate Broker at The Corcoran Group, NYC
