REGARDING THE USE OF CONSULTANTS AND OUTSIDE PERSONNEL FOR PREPARING THE SELF-STUDY AND EXHIBITS					
COE standards require that the institutions' personnel <u>be the only ones</u> to prepare, revise, and edit any documents required in the accreditation process. COE allows consultants to <u>provide training</u> regarding the standards, the accreditation process, and the school operation best practices. We recommend familiarizing yourself with <u>COE's Handbook of Accreditation – Use of Consultants</u> before engaging a consultant or outside personnel.
