Dear Trinity County Fair Association Member,

Thanks largely to generous donations and sponsorship from individuals and businesses throughout Trinity County your Trinity County Fair and Event Center has continued to bring you the "Best little country fair in California". Without your continued support we would not have been able to keep the fair operating, and provide a venue for other activities and events held at the fairgrounds all year, every year.

In 2018 we have continued to build a better fair by finding new and interesting attractions, like Scramballs. We grew our exhibits through our Trinity County Schools Participation program and partnering with California State Parks by adding two new photography contest divisions. As always, we continuously bring in new vendors and fun ground acts.

While all this is going on we have continued working with the California Dept. of Food and Agriculture (CDFA) and California Fairs Financial Authority (CFFA) on the two deferred maintenance grant projects, abatement of the asbestos siding on the Dining Hall and a new fire suppression system in the Dining Hall Kitchen. These two projects will need to be completed before December of 2018. These projects tie in directly with our project to bring the kitchen back to "Commercial Kitchen" status in 2019.

We are pleased to announce that this year's fair theme has been selected. Congratulations to Glen Frame of Mad River for submitting the theme selected by the TCFA Board of Directors. The 2019 fair theme is "Lifetime of Bounty in Trinity County". Once again, congratulations Glen Frame.

So, once again we ask for you continued support and assistance in keeping our great little country fair alive and flourishing! Thank you very much for all that you do to help us!
