

CU'S GOT TALENT!

FEBRUARY 3, 2018 | 5PM
THE REFINERY, CHAMPAIGN

This 3rd annual talent competition doubles as a fundraiser in support of local charities who do not have the capacity to host a major benefit. Monies raised will have a material impact on the lives of the people served by local non profit organizations. In addition, funds raised will allow Champaign West Rotary Charities to provide quick financial response to emergency needs of charities in our community.

The competition will showcase local talent and provide community members the opportunity to see their peers perform.

- Up to 10 performers;
- Votes for performers may be cast in advance via the event website;
- The night of the performance, supporters may vote again along with the audience;
- Votes are cast by donating money to the cause—every \$5 donated equates to one vote;
- The performer accumulating the most votes by the end of the talent show will be the winner.

Additional fundraising activities include

- Silent Auction
- Games for everyone
- Sponsorship Opportunities
- VIP Tables for purchase
