Holland Tour and Chicken BBQ

On August 26th at 10:00 am we will meet at the North Main St. Kwik Fill station and be traveling to Patrick and Mary Carol Penfold's home for a tour of their collections of cars, trucks, diesel engines, wooden boat, helicopter, motorcycles, heavy equipment.

Patrick started out being a vendor at our annual Flea Market. After observing our need for younger blood with help with the layout, he became a member, as well as his friend Richard. Although, he isn't able to be a full fledge active member, he does put his time in at the swap meet setting up or doing whatever he can to help us out. He and Richard have become great assets to the swap meet.

Patrick's generous invitation welcomes all family members. They have a pond, helicopter play house, pool and many yard games. If we stay late enough, we will have a camp fire. There will be a chicken BBQ and all we need to do is bring ourselves and a dish to pass.

I will need a headcount by August 19th. We will be charging each person a \$5.00 charge for the chicken. The club will pick up the balance. We will be leaving from the N. Main St. Kwik Fill at 10AM. It will be about a 2 hour ride.

Please send your reservations by August 19th
 and make checks out to CLRAACA
