Atlanta Ministry

Many **PEOPLE** are challenged by our ministry van! A Jewish **BELIEVER** approached the van to tell me how excited he was to see it! I noticed a **MAN** wearing a kippur slow down so he could read the

van! I saw many other obviously Jewish people reading the van at various places.

As I walked into the mall for our weekly lunch/outreach, a Jewish **WOMAN** said she liked my Hebrew t-shirt. I asked if she knew what it said and she knew someone loves her! I made sure to tell her "Yeshua" loves her!

While going to my Orthodox Jewish **DENTIST**, I thought about my previous Conservative Jewish **DENTIST** I used 10 years ago before switching insurance. At the Johnny Hunt Women's Conference a few days later, my **FRIEND** introduced me to her **FRIEND** who happens to work for my old dentist and took a tract for him!

The Israeli **OWNER** of the restaurant I frequent thinks it is hysterical that I go to Israel so often in hopes of introducing **ISRAELIS** to Jesus! He asked one Jewish **CUSTOMER** what he thought about this, and it gave me an opportunity to share with him! Another time, a Jewish **CUSTOMER** started a conversation with me!

Tiberius, Israel

We distributed various Gospel materials and spoke with **PEOPLE** all around the Sea of Gallilee, Tiberius, Haifa, Nazareth, Jerusalem and every where we went. It was such a blessing to have our entire team wearing our evangelistic t-shirts! We actually had lunch at a restaurant **EDDIE BECKFORD** and I ate at in January where we shared with the **MANAGER** who was most surprised to see me again!

We stopped for lunch at a restaurant that was closed, but the owner and his fiancée were unloading groceries and decided to open for our group! It turns out the owner is an Iraqi **JEW** and his fiancée is a Columbian **CATHOLIC**. She was most excited we were telling her future husband about his Messiah!

We were assigned to a kibbutz, but my leg had been hurting so I mostly sat on a bench in front of a building and prayed. I was somewhat surprised when a door opened up next to the bench? A **MAN** walked out and introduced himself and invited me in to see his work! It turns out he is an equity fund manger for a multi-million dollar equity fund and travels all around the world. What was even more amazing was that he had told me two of his African customers had just challenged him to think about Jesus that same day, and then the Lord sent us later on to give him Hebrew Gospel materials!

Our field **PARTNERS** mapped out the area around Tiberius for prayer. While prayer walking our assigned area, I was so overwhelmed by the Spirit of God, I could barely get out the words from a praise song!

Orlando, Florida

We had a booth at the Florida Homeschool Conference. Many Jewish exhibitors and homeschoolers were challenged by our presence. We equipped many with evangelistic t-shirts, jewelry and hats. I reconnected with a Messianic FAMILY who used to live in Atlanta and visited FAMILY afterwards!

"Again I ask: Did they stumble so as to fall beyond recovery? Not at all! Rather, because of their transgression, salvation has come to the Gentiles to make Israel envious. But if their transgression means riches for the world, and their loss means riches for the Gentiles, how much greater riches will their fullness bring!"-Romans 11:11-12

(Arad, Israel)

Lura wrote: "The young orthodox man who harasses the believers had an hour-long conversation with one of the young men in the congregation and cannot explain the difference between religion and a relationship with the Lord. Praise the Lord for this conversation and the fact that he is searching for spiritual meaning in his life.

Our hostile neighbor lady who shouted at Debbie and Yakim when the congregation was meeting at our house, happened to be stranded on the road and Debbie stopped and gave her a ride. They parted as friends. Praise the Lord for setting up these divine appointments and making friends out of our enemies and giving us all a chance to share Yeshua with them!

Eddie wears the "Yeshua loves you" T-shirts everywhere so that leads to questions. We have daily encounters with people who are

spiritually hungry; pray for open hearts and more divine appointments."

I got to share with the Chabad group as they put on the phylacteries on me I told them about Jeremiah 31:31 about a NEW Covenant written in our hearts. About Yeshua haMashiach!! Jesus.

Rabbi Kravitz came up to me and we had a healthy discussion. I reminded him about how Rabbi Gamlial said leave the Messianic Jews alone. If Jesus is just another false messiah, He will fade away like the rest. Umm? 2,000 years later Jesus is alive and well. Isaiah 53 discussed etc Pray for Rabbi Ben Zion Kravitz. Why is he kicking against the goad like Saul of Tarsus?"

"Blessings on you, Steve. While wearing one of your "Star/Jesus Loves You" t-shirts to my fitness class, a retired Jewish attorney came up to me with a question: "Who is the Holy Ghost?" he said. When I explained, he said, "That is very interesting." He had asked me many questions over the past year and I said I mentioned some of them in my new book, *Hungry for Hope*. -Terry Dodd"

RHONDA from Las Vegas, Nevada wrote:

"Thanks Steve! Our group went to the flagpole at UNLV after witnessing for the Ntl Day of Prayer. Channel 13 filmed us, so your shirts and our signs may've been on the news today!"

BOB from Washington State wrote:

"I continue to get VERY POSITIVE comments on your sweat shirt almost every time I go out & have 2 people who want to wear them!"
