

**VOLUME 14 ISSUE 10**

**OCTOBER 2014**

**ARTICULATIONS BY ALAN**

*Ford Mustang: Born To Run, Second To None*

**Another month has come and gone ...**

October has arrived and will soon be coming to a close, just like car show season. Many of you were out and about many times this summer either just attending events or showing off your own cars. Either way, I hope everyone enjoyed the weather. Even with the rain that we had, many sunny days were left for us to get out and enjoy our beloved Mustang.

Since it is October, I must again bring up something that unfortunately brings silence at our meetings this month. Elections. Nominations for ALL positions will be happening at this month's meeting. Everyone should have received an email from Ross that informed everyone of what the job is for each of the positions that need to be filled for the coming year. I am hoping that each of you have taken the time to sit back and reflect on our club this past year and think to yourself, "If I were (insert select office position), I would..... That is how we all started out. Many of you have held positions before and we would like to invite you to consider holding an office position again. Seasoned veterans of our club already have insight and the qualities that are a benefit to RMMC.

We will be having our meeting this coming Saturday at Mimi's as usual. I look forward to seeing you there. Remember, if you would like to eat you should be there at 5:30. Our club meeting starts at 6:30. I will try to be prompt. Hopefully everything goes quickly and we can keep this meeting brief but it may go a bit longer due to nominations. We also have our Garage Tour to address as well. I am sure that you have seen emails in reference to this. See everyone Saturday!

**Until then... Well, I left Kentucky back in '49**

**An' went to Detroit workin' on a 'sembly line.....**

Pins	\$2.00
Decals	\$2.00

T-Shirts	\$16.00
Sweat Shirt	\$28.00
Patches	\$2.00

**Minutes of the meeting of the Rocky Mountain Mustang Club  
20 September 2014**

Meeting was called to order at 6:30 pm.

The minutes from the August meeting were read and approved.

The treasure's report was read and approved.

New members Joe Guy, Lisbel and Henry Vega, and Terry Smith introduced themselves. Joe has a '01 GT, Henry and Lisbel have a '09 GT, and Terry has a '68 Shelby GT500.

Neil Case and Dotty Schwyhart celebrated birthdays in September.

**Old business**

Greg Perry received the hard luck trophy for his "adventures" at Roundup with his Mustang and its electrical problems.

The club website is still slowly recovering. A For Sale page has been added and we are receiving requests from other clubs for links to their sites.

There was no meeting for the Good Times Car show so there was no report.

There will be some changes at the Friday night social at Rocky Mountain Mustang Roundup next year. Brandon Short also talked about the advantages of for holding one of the chief positions on the autocross.

Pat Germain has ordered the club T-shirts. Both white and gray shirts were ordered along with lady's V-neck shirts. There will need to be a minimum of 24 shirts for the order. He will be taking orders for special shirts in the future.

Terry Myers will have links for the route of the fall color tour in the next club newsletter. Mark Roberts said that the menu for the lunch at the end of the tour will be red and green chili, corn bread, and a seasonal desert. There will be water and soft drinks as well. Remember to bring chairs and your cameras.

The club is the host club for the final First Saturday Car show on October 4<sup>th</sup>. The show starts at 7:30 and ends at 10:00. Hopefully the weather will co-operate and there will be a good number of members at the show.

Alan Shelton and students had a field trip to see the new 2015 Mustang and he will be having a "show and tell" for his class when Mark Roberts gets his new 2015 Mustang. Mark has said he will give a talk on the development of the new IRS and there will be older Mustangs to show how the rear suspension has evolved.

**New business**

The October club event will be a garage tour at the Myers'. LaRon Cosley said they would also be a stop on the tour.

Bryan Lowry said that there will be an MCA regional show in July 17<sup>th</sup> to 19<sup>th</sup> in Loveland, Colorado sponsored by the Front Range Mustang club.

There is a need for 2 club members to perform an audit of the club's books prior to the new board taking office.

The members were asked to think about volunteering to be a board member. Nominations will be at the October meeting and the election will be at the November meeting.

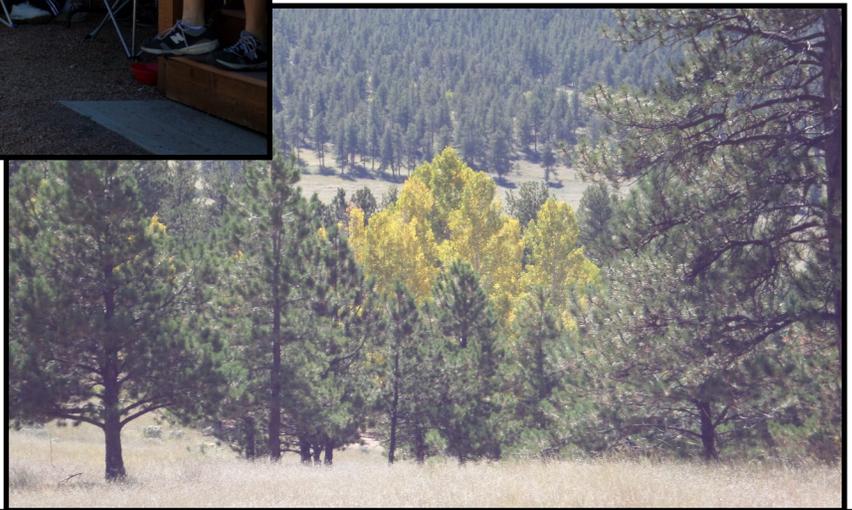

LaRon Cosley mentioned the New Year's Eve event at the Double Tree.

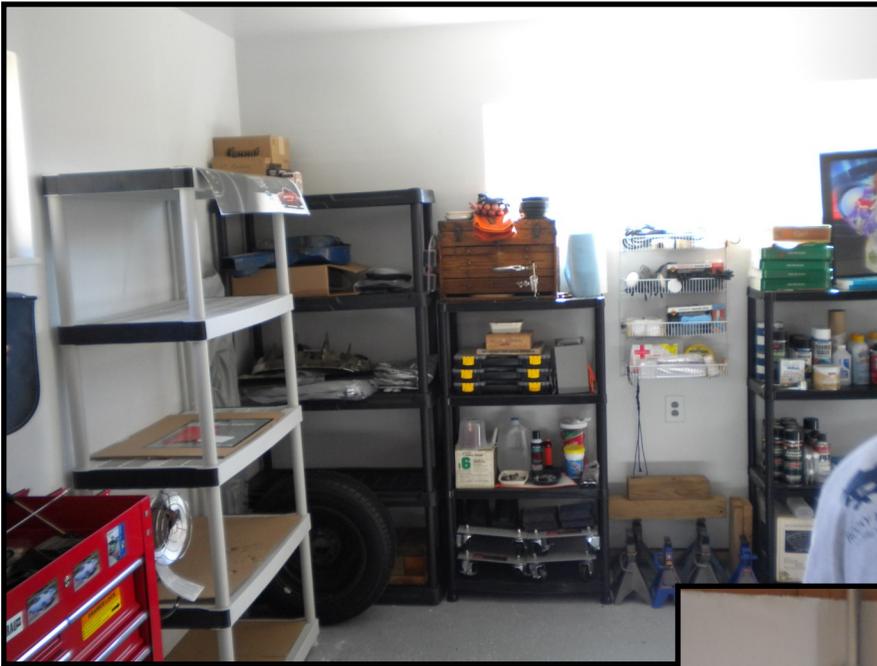

Cars and parts were announced.

The raffle was held.

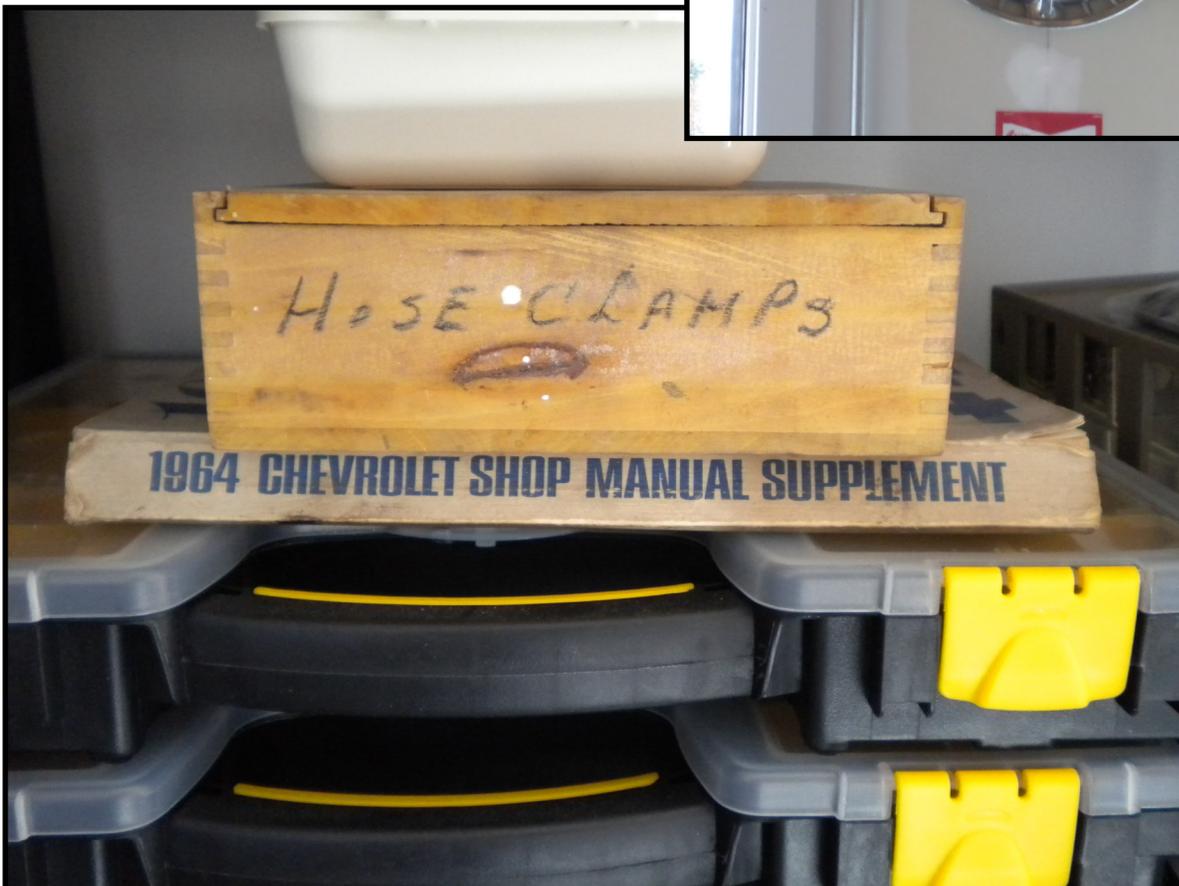

A motion to adjourn was made and passed. The meeting adjourned at 7:41 pm.

# Mustang Mania

First & Main Car Show pics

**Itunes –new ending from the article earlier this year...**

I was amazed when I purchased our Bullitt at the choices I now had to play the music I wanted to hear. I could load up 6 CD's, tune in one of the many music only stations on satellite radio, or connect my IPod or MP3 player and listen for hours. Can you say super road trip? When we bought our KIA the choices became even greater because in addition to all the choices I have in the Bullitt I can hook up an iPhone and dial up Pandora and pick my favorite station (I have tried to stump Pandora with some of the most obscure groups I know of and it has yet to not have at least one song by that group) or if I want to save my data minutes or I forgot my phone charger I can play whatever music I have stored in the jukebox on the onboard 40 gigabyte hard drive. Could it be possible that in the not too distant future a Camaro lover is bragging to a Mustang lover that his Camaro has an 80 gigabyte drive while the Mustang only has a 40 gigabyte drive? Sort of follows Honda's "Earth Dreams Engine" doesn't it!

In the future will Pandora and satellite radio be as useful as the triangle-in-a-circle CONELRAD symbols on old AM radios of the 50's and 60's, eight tracks, or cassettes? I don't know but, for now when I jump in the Bullitt I can listen to *Tall Cool One* as I slowly cruise so everyone can have a nice long look at my Mustang as I pass by and I can wish that I could have had this car and these music choices when I was 16!

Ross Schwyhart

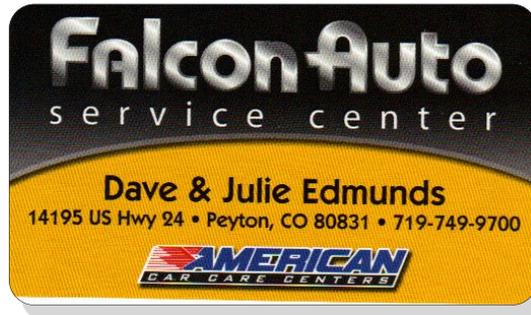

Thank you for  
supporting The  
Rocky Mountain  
Mustangers!

## Club Code of Conduct

The Rocky Mountain Mustangers take pride in our Club being an organized club with monthly meetings and events. We enjoy having members of all ages participate and show their love for the Mustang, from a new car to a classic car, a show car and a race car, and up and coming cars. We have had numerous members come and go from the Club for various reasons. The Board of Directors does not want to see any of our members treat other members, or potential members inappropriately, with comments or actions. In accordance with our By-Laws, the Board of Directors will ask anyone found causing embarrassment to the Club to resign.
