

Kiwanis Club of Strongsville Patriotic Flag Program

The Strongsville Kiwanis, in co-operation with the city of Strongsville, is proud to continue our **PATRIOTIC FLAG PROGRAM** which was displayed for the first time on **September 11, 2002**. There are 100 Flags proudly flying in the center of our city along the perimeter of the Strongsville Commons. We offer local businesses and residents, the opportunity to sponsor a flag.

The name of the sponsor is displayed on a sign placed alongside their flagpole. This can be a corporation, business, individual or memoriam. The flags are flown night and day for approximately one to two weeks (weather permitting) on each of the five occasions during:
