# HILL FIRE – MISSISSIPPI'S FOLK LIFE PLAY

PRODUCED SEMI-ANNUALLY BY THE MONTGOMERY COUNTY ARTS COUNCIL IN WINONA, MISSISSIPPI

*Experience a community performance that brings to life the history and heritage of “the hills.” Each performance fills you with laughter and tears, joy and sorrow. You will see the young, the old, the rich, the poor, as well as different races and creeds, come together to celebrate the one thing we all have in common – LIFE – life that will “set these hills on fire!”*

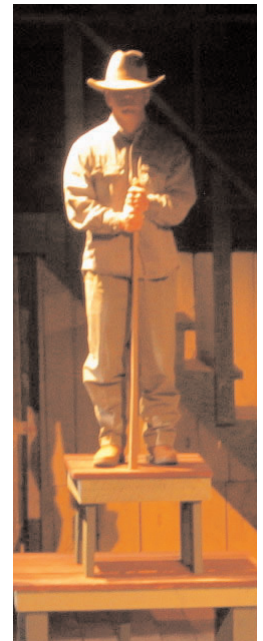

*Original music is written and performed by local talent. The official storytelling song, Echoes, leaves the audience with no doubt of the purpose of their gathering.*

*Based upon stories that are collected from members of the local community, the performance of this folk life play keeps the memories of local people alive and preserves their history for future generations.*

*The cultural traditions and diversity of the citizens of Montgomery County, Mississippi and the surrounding area, are honored by the production of Hill Fire. As a result, the cast and the audience are brought together with a sense of pride and accomplishment.*

*Listen to the Stories of our Lives...*
