Let It Go

Words and Music: Désirée Goyette

Let it go, let it go
It was never, ever really a part of you
Seems so real, yet beyond the smoke
You've the power to recognize what's false, what's true
Through the fiery flame of doubt
Let Love's light lead you out
And let it go, let it go, let it go

Say farewell to the hallway of hell
Where we wait and wonder how it came to this
Just one spark can erase the dark
And where we're going pulls us out from where we've
been
Through the fiery flame of fear
Comes the Truth that guides us back from there to here
So let it go, let it go, let it go

You're growing tired of yesterday
Sorrows dancing 'round in circles to the same old song
Hoping they'll just let us go, hoping they'll stay away
Yet we're the ones who keep holding on

So let it go, let it go
Rising up beyond the ashes of desire
To be in the light of eternal might
Where you'll never even smell a trace of fire
See the past through Wisdom's eyes
As a blessing in disguise
Just let it go, let it go, let it go

Go Light Your World

Words (adapted) and Music: Chris Rice

There is a candle in every soul
Some brightly burning, some dark and cold
There is a Spirit who brings a fire
Ignites a candle and makes His home

So carry your candle, run to the darkness
Seek out the hopeless, confused and torn
And hold out your candle for all to see it
Take your candle, and go light your world
Take your candle, and go light your world

Frustrated brother, see how he's tried to
Light his own candle some other way
See now your sister, she's been robbed and lied to
Still holds a candle without a flame

So carry your candle, run to the darkness
Seek out the lonely, the tired and worn
And hold out your candle for all to see it
Take your candle, and go light your world
Take your candle, and go light your world

We are a family whose hearts are blazing
So let's raise our candles and light up the sky
Praying for our sisters and our brothers
Make us a beacon in darkest times

So carry your candle, run to the darkness
Seek out the helpless, deceived and poor
Hold out your candle for all to see it
Take your candle, and go light your world

Carry your candle, run to the darkness
Seek out the helpless, confused and torn,
Hold out your candle for all to see it
Take your candle, and go light your world
Take your candle, and go light your world
