

FOR SALE

High Rig, Sailing/Racing Yankee Ice Boat- Ready to sail!

Dry stored since restoration completed in 2016.

Blue Boat/ white plank, mast, boom. Finished in Interlux blue with white 23' high rig sitka mast. This boat features a shaped aerodynamic sitka spruce plank. Adjustable mast step. redundant steering for safety, Runners and all hardware restored or replaced. New stainless throughout. All hardware restored or replaced with new. Custom boat cover. Comes with an older sail. Other sails available. Building and outfitting a new one would be well over \$20K.

2021 Priced to sell: \$3,900.00

Bonus: I will cover a one year membership in the ISA or the club of your choice.

Inquire with Owner/Restorer Fred Greis - Yankee skipper.

Restoration photos available. Cell 516-313-7788 or fredg@wettechnologies.com

There are about two dozen Yankees in the northeast. Boat comes with set up, tuning, and sailing help from the seller and/or others actively helping to build the sport and preserve the class. Can deliver. Yankees are the Cadillacs of ice boats. They can be sailed and raced by a single skipper and carry a passenger for one of the most thrilling rides you'll ever have!

Reason for selling: I sail and race my own Yankee. I purchased and restored this boat as a labor of love and to help build the fleet. Plus, boat is stored indoors, and I need the space.

Boat can be seen in Northford, CT.

Optional sail shown in photos- other sails available. (rev. 2021)
