PRESIDENT'S MESSAGE BY BILL ROBERTS

Happy October to all our residents. We had a great membership meeting this month.

Our guest speaker was Beth Putnam from the Hernando County Fine Arts Council. She shared the goal of the council's efforts in the community are to "lead, create, and support the arts in Hernando County." Beth said that the first activity administrators cut in education during budget reductions are the art programs despite the research showing that arts in education correlate with higher scores. In response, the Fine Arts Council has allocated \$5000 to create interactive art projects for our students – the goal is to inspire our kids. You've heard of STEM, the new acronym is STEAM – Science, Technology, Engineering, **ARTS** and Math. I'm all for helping kids get an enriched education. Did you know Hernando County is blessed with an active and engaged artist community? We have art everywhere, our own HBPOA website has a link to the "Coastal Art Tour" that will take you to two opportunities to visit art by local artists in the communities of Hernando Beach and Brooksville. And hang on, March 2023 will be the 38th Annual Art in the Park. April Spence is the lead and Diane Greenwell is signing up volunteers to help with this incredible program. It's never too early to call Diane and get your volunteer application completed! The Fine Arts Council has partnered with Adventure Coast for the kickoff of the Mermaid's Tail Trail on October 13th. To help celebrate the 75th Anniversary of Weeki Wachee Springs Park, thirty life size mermaid statues painted by local artists will be on display for visitors before they are moved to their sponsor locations throughout the county. Another opportunity to have fun visiting new locations searching for the mermaids and completing the Mermaid Tail Trail.

Speaking of things in the water; backyard pool, ocean views, lapping waves and calls of the sea birds are all part of that break from the ordinary

or the intense world of work. I researched articles that followed a recent publication in the Wall Street Journal written by Elizabeth Bernstein titled "The Underrated Therapy for Anxiety and Stress: Water" and it evoked thoughts of my own pleasures of living in Hernando Beach. The article discussed the benefits of spending time near oceans, lakes, rivers, and other blue spaces. The articles state participating in water activities in and on the water helps a person enter what scientists call a "Flow State" where we become one with our environment or become lost or totally absorbed in the activity. Recall your state of mind when you see the expanse of the gulf and gentle lapping of waves in the canals or floating on the flats. The emotion of these events is both exhilarating and totally relaxing. It has something to do with the dynamics of water and its constant motion that entrances us or captivates us. The constant motion of the water can hold our attention in a mesmerizing way scientist call "soft fascination" according to Bernstein and if you are like me your brain shifts gears into neutral and much time can pass by in those moments of just gazing out to the sea. So, close your eyes and imagine the last time you were on the beach or at the pool enjoying that "flow state" and "soft fascination" so aptly termed by neuroscientists and just enjoy and forget about the issues of the day.

Please join us October 6th to meet our new District 2 County Commissioner Mr. Brian Hawkins. HBPOA Elections are in November for the 2023 Board. Your Nomination Committee is Joan Puls, Kathleen Polyn & Barry Holland. They'll be calling every HBPOA member in the performance of their official duties. I appreciate this level of commitment to the HBPOA – helping to ensure its continuity for the community. This is your opportunity to achieve the involvement you want and affect the change you desire to see.

**Hernando Beach – Love where you live.

OCTOBER MEMBERSHIP MEETING SPEAKER

Brian Hawkins

As a lifelong Florida Resident, originally from St Petersburg Fl and becoming a permanent resident in District 2 of Hernando County in 2007. My professional career began and continues as an entrepreneur, possessing exceptional leadership and delegation skills with the crucial ability to function well both independently and in a fast-paced business and political environment. With more than 15 years of extensive experience, I am fully adept at executing any of the duties associated with this position. Besides supervising and coordinating large management teams and developing and implementing new operating processes, I also excel at monitoring and analyzing Data and reducing unnecessary expenses, while investing in technology and infrastructure to ensure long term success.

(Continued from page 3)

Throughout the years, I have proved numerous times that I am a dedicated and results-oriented individual. My professional career was built on becoming an expert in Government contract execution during the RFQ/RFP bid process, implementation, and safely executing the awarded contracts for many City, County, State and Federal Governments. The Pest Management industry is one the most highly regulated trades in the State of Florida. Navigating regulation, with a Safety-first approach of operations, and 100% contract delivery. Furthermore, I believe this is one of many reasons our community leaders have been overwhelmingly supportive of my decision to seek election, and why I believe Hernando County will continue to strengthen under my leadership. It is time to start being hard on the process and not the people.

We hope to see you, Thursday, October 6th at 7pm.

reported others were hit and run. We are adding lights to the obelisk and removing bushes that block lights.

- GAC Committee – Scott Fitzgerald summarized recent elections and an overview of the BOCC Preserve development post that requested community comments.

8:15 New Business.

- HBPOA Elections in November. We asked for three volunteers to perform the function of Nomination Committee. We have three volunteers: Joan Puls, Kathleen Polyn & Barry Holland. Thank you!
- President Queried the membership regarding who they'd like as Guest Speakers: Responses were as follows: Brian Hawkins (new BOCC Member), Jerry Campbell (to speak about Hernando County Recycling Program), Chris Linsbeck and the Parks Program, Gus Bilirakis (serving as the U.S. representative for Florida's 12th congressional district since 2013) on Grants available to communities, Lilian Browning, and Mike Fulford regarding regional growth.
- HBPOA Beach Life Calendars will be available soon. We have a limited run of 200 calendars.
- The International Coastal Cleanup is set for Sept 17. This is the 38th year and

HBPOA is helping to sponsor this important environmental community-wide event. HBPOA will have a table set up for members to get water and gloves after they check in. Our volunteers to man the table are Marlies, Judy and Pat. We are encouraging all HBPOA members to register at Hernandocoastalcleanup2022.eventbrite.ca and ensure they add they're working with a group and name the HBPOA. The goal is a cleaner and nicer environment – let's all do our own street!

Member Comments:

- Diane L. stated that the HBPOA Board should attend BOCC and Planning and Zoning Meetings and report back to the membership as there are many issues that the community may need to become aware of.

NEXT MEETINGS:

Next Board meeting. October 3. 11:00 am

MERMAID TRAIL

Florida's Adventure Coast Visitors Bureau Announces the Unveiling of Destination Mermaids – The Tail Trail, on October 13, 2022 Brooksville, Florida:

Florida's Adventure Coast Visitors Bureau is thrilled to announce the unveiling of Destination Mermaids – The Tail Trail, created in conjunction with the Hernando County Fine Arts Council, Brooksville Main Street, and dozens of artists from the area.

This legacy project coincides with the 75th anniversary of Weeki Wachee Springs State Park – Home of the World-Famous Mermaids. In honor of the Park's anniversary, 26 mermaid statues will be placed throughout

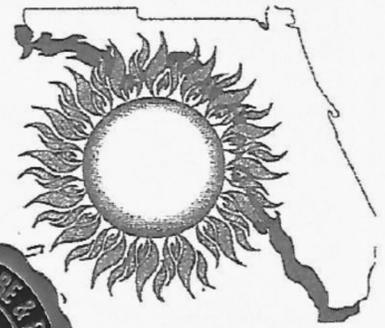

the entire county, creating a trail of public art in the form of mermaids. The original statue was hand sculpted, and her face cast from an actual Weeki Wachee Mermaid. Each statue was then hand-painted by a juried artist, creating a one-of-a-kind work of art that will be included on a trail throughout Florida's Adventure Coast, Brooksville-Weeki Wachee.

Festivities will begin at 10 AM, October 13, 2022, with remarks by Park and County officials, along with the unveiling of the mermaid statues, and a plaque recognizing the Adagio statue and Park as National Historic Landmarks. Afterwards, invited guests and the media will be ushered into the Underwater Theater for a special 75th anniversary mermaid performance at 11 AM. Refreshments will follow with opportunities to meet and greet the artists for Destination Mermaids - The Tail Trail.

"We're delighted to unveil our newest trail of public art while celebrating the 75th Anniversary of Weeki Wachee Springs, one of Florida's original and most iconic attractions, and the inspiration for The Tail Trail. The historic mermaids have been the muse of many artists over the decades, today we honor that inspiration by unveiling the first of the statues that will form a trail of Mermaids leading visitors throughout Florida's Adventure Coast," said Tammy Heon, Manager of Tourism for Florida's Adventures Coast Visitors Bureau.

About Florida's Adventure Coast Visitors Bureau

Florida's Adventure Coast, Brooksville - Weeki Wachee offers authentic experiences of the Sunshine State at its natural best. A wonderland of outdoor adventures, active family fun, centuries of history, Southern hospitality, and vibrant local color, offer a one of-a-kind visit you won't soon forget. Enjoy water adven-

tures, land adventures, attractions, parks and more. Visit us at FloridasAdventureCoast.com to begin your adventure!

Chase N Tails Fishing Charters

Capt. Josh Fritz 352-345-9304 Hernando Beach FL

SEPTEMBER FISHING REPORT

September kicks off our Fall fishing patterns along Florida's Adventure Coast. Fall is an epic time to target redfish, snook, and trout. Red fish are schooling up in large schools with 12-50+ fish in a school and ranging mid slots to over slots. Live pin fish and pilchards are my bait of choice. Fish an incoming tide for best action or first part of the outgoing. Outer points and islands are holding the big schools. Snook are also mixed with redfish. Trout are starting to show up in good numbers on the grass flats.

– Captain Josh Fritz

Capt. Joshua Fritz is a Native Floridian fishing the local waters of the Gulf Of Mexico, Capt. Josh is a 25 ton licensed and fully insured guide. Capt. Josh knows these waters inside and out with over 25 years of boating knowledge. Capt. Josh is very well know in the fishing world and is professional and friendly, come aboard with Capt. Josh and lets catch some fish.

REPORT VIOLATIONS TO FWC

Report a fish, wildlife, or boating violation to FWC's Wildlife Alert Reward Program. If your information results in an arrest or citation, you may be eligible for a reward of up to \$1,000. Call: 888-404-FWCC (3922). Cell phone users can reach us at *FWC or #FWC, depending on the service provider. Report violations online.

To be eligible for a reward...

You must obtain a confidential code number to be eligible for a reward. When reporting violations online, a code number will be sent to the email address you provide. If you do not wish to provide an email address, please call 888-404-FWCC to obtain a code number. The telephones are answered 24 hours a day, seven days a week.

You may remain anonymous. You will not be required to testify in court. You may or may not be contacted for additional information, depending on your preference. It is important to report violations as soon as possible and pro-

vide as much detail as you can about the physical descriptions of violators, vehicles, license tag numbers, etc.

Examples of violations:

- Illegal hunting
- Taking saltwater game fish out of season
- Taking protected wildlife species
- Boating under the influence
- Illegal tire dumping

To make a donation or pay a court ordered contribution...

Make the check or money order payable to Wildlife Alert. Please include your name, what the donation is for, and if a receipt is required. Receipts can be emailed to you upon your request.

Mailings address:

Wildlife Alert Reward Association
620 South Meridian Street
Tallahassee, FL 32399

ON THE WATER ETIQUETTE

As the number of anglers continues to grow, it becomes more important than ever to be a marine resource steward as well as show others respect when on or near the water. By respecting the marine environment and the people in it, we can help ensure good fishing for generations to come and safe fishing experiences. After all, respect for nature and for other anglers is what fishing is all about.

Some ways you can help be a marine resource steward and make the right kinds of waves include:

1. Be an ethical angler: Ethical angling means knowing when to keep and when to release your catch while always [handling fish](#) with care. This includes knowing and abiding by [regulations](#) and being able to [identify](#) the fish you target.

2. Be ready at the [ramp](#): Prepare your boat and equipment before launch. At a fuel dock, get fuel, pay and move out of the way.

3. Wear your [life jacket](#): Set a good example for others and stay safe.

4. Watch the wake: Stay at least 200 feet from shoreline and other boaters and follow no wake zones. Always yield to wade fishermen.

5. Boat [safely](#): Know who has the right of way and when. All operators of recreational boats less than 26-feet that **have an engine cut-off device** must wear an [engine cut-off switch](#). This device helps prevent accidents by cutting off the engine when the vessel operator is not at the helm.

6. Be courteous on shore: Don't shoreline fish in areas or during times of day when there are a lot of swimmers. Don't crowd anglers who are fishing from shore.

7. Stash your trash: [Recycle fishing line](#) and [dispose of trash](#) in a proper receptacle ashore.

8. Coming in for a landing: When anchoring up, watch how other boats tie off and do the

(Continued on page 21)

(Continued from page 20)

same. If you think you are too close to other boaters or anglers, you are probably too close. Mind the current and be patient and wait for others to move before docking.

9. Keep the noise down: Sound is amplified over the water, which can disturb other boaters and those who live near the water.

10. Give anglers space: The sounds or wake from your boat can cause an angler to lose their catch or drive fish away.

U. S. COAST GUARD AUXILIARY PUBLIC EDUCATION COURSE FLYER: GPS FOR MARINERS

The U. S. Coast Guard Auxiliary's **GPS for Mariners**(GPSFM) course focuses on the GPS equipment typically owned by the recreational boater. While the presentation allows boaters to bring and use their already-owned hand-held GPS units to class, it will also teach those who do not own their own hand-held GPS unit to learn how to use one.

Topics Include

- Navigation Review – It assumes students know basic coastal navigation terminology
- GPS Basic Receiver Functions
- Selecting a Receiver
- Waypoint Navigation
- GPS Underway

Course:	GPS For Mariners
Start Date:	Sat, 29 Oct 2022
Hours:	9:00 AM – 12:00 PM
Duration:	3 Hours
Location:	Uscg Auxiliary Building 4340 Calienta Street Spring Hill, FL 34607
Contact:	Susan Watkins swatkin678@gmail.com (352) 340-8848
Course Cost:	\$40
Comments:	Text included. Registration 1/2 hour prior to start of class.

**Complete Tree Trimming, Removal
& Stump Grinding**
