

FRIENDLY REMINDERS...

***Our facility offers more than 400 individual parking spots.** *If you or a loved one is having trouble finding a parking spot or are having troubles getting to- or -from your vehicle, feel free to call us at (970) 800-3035 and one of our staff will be happy to help.*

***Our facility encourages a positive atmosphere for all individuals- player, coach, official, employee, and spectator alike.** *A friendly smile and pleasant interaction amongst one another has a positive impact on not only ones' personal mood but everyone else's as well! A pleasant "hello, how are you?" is often contagious and has the ability to brighten someone else's day!*

***Our facility firmly stands behind all officiating crews.** *As coaches, players, and spectators we often forget that the individuals officiating a game are human, too. Just like everything else in life mistakes will happen. Remember, how we react is what's important. Officiating crews at our facility have passed background checks and are currently assigned to Colorado's high school league games. We are the only organization in the region that requires this!*

***Our facility offers a number of extra benefits for our customers.** *We have a Sports Lounge equipped with 7 televisions, a sufficient amount of seating, a fully-stocked concession stand, and a team store!*

***Our facility is privately owned.** *Our facility does not receive any State or Federal grants or financial assistance of any kind. Our facility exists solely on participation numbers and user fees.*

***Class is a learned trait, and something often ignored.** *While we would like to think everything is always going to be perfect, it's life, and more than likely, it won't be to all people. How we respond is an amazing skill and example to the youth involved in the events!*

***Our facility feels it's important to keep everyone informed.** *If you aren't receiving our weekly updates on league and tournament schedules, please send us an email to info@powertoplaysports.com or call us at (970) 800-3035.*

***Our facility would like to say THANK YOU!** *We would like to thank you all for your continued kindness, support, patience, and understanding.*
