If within 48 (forty-eight) hours of the date of sale you believe the cat to be sick, you agree to return it to us and we will either refund the purchase price or return the cat to you in well condition, if you so desire. If, however, you take the cat to the veterinarian during this period or incur any expense, the seller shall NOT be responsible.

Cats when introduced into new surroundings are sometimes strange and are inclined to exhibit shyness and inactivity. In some instances they refuse food to which they may or may not be accustomed. After becoming adapted to the new environment they will readily accept you as their master and the food you offer. Your care and attention will aid in overcoming the shyness to new quarters.

This agreement is made for our mutual benefit to protect you as well as ourselves. We wish it understood that under no circumstances will we stand responsible after 48 (forty-eight) hours, or if any expense is incurred in connection with the care of this cat through veterinary bills during this 48 (forty-eight) hour period.

If the 48 (forty-eight) hour period should lapse on a holiday or on a Sunday, then the cat is to be brought to us promptly on MONDAY Morning or on the morning after the holiday. If a holiday or Sunday should interfere with the return of the cat the guarantee will be extended for this period.

Any deletions to this contract shall be struck out and initialed by both parties, and additional amendments will be noted on the back of this sheet followed by the signature of both parties.
