BUCKHORN VALLEY COMMUNITY DESIGN REVIEW APPLICATION FORM

Dear Design Review Committee,

I plan to make the following changes to the exterior of my home or yard:

Please list color, size, and why it is an appropriate change for the home.

- Please attach drawings of planned construction projects including the placement within your property, any architectural drawings, or any landscape layouts.
- Please attach any color samples.
- Please add any and all details regarding the project. When details are provided the approval process is much faster.

Homeowner Name: _____

Home Physical Address: _____

Home Mailing Address: _____

Email Address: _____

Phone Number: _____

I have reviewed the Design Review Guidelines on the www.buckhornvalley.org website and understand that any and all changes must comply with these guidelines.

I understand not all projects are approved and application does not imply approval until I have received written or emailed notice from the committee and I will not start projects until I have received such notice and approval.
