Grow Inc was created to support the Barrio Planta Project (BPP) in its mission to Help a Child Grow. BPP educates over a hundred students every day, year-round in essential subjects like English as a Second Language and Computer Classes and never charges a dime, which is possible because of generous donors and volunteers like you. "Overall the Barrio Planta Project exceeded all of my expectations. The community is extremely warm and accepting, and I could tell how much the kids love coming every day... This was an amazing experience and I'm sure I will remember it for the rest of my life." ~Emma Cerda, NYC. [Learn More about BPP.](#) Travel, Grow. Help a Child Grow.
