While your dog is here at Boulder Ridge we will try to make it as much like home as possible to reduce any stress that he/she may have. During their stay they will play with other dogs (if appropriate) and that they get along with. We will do everything to ensure your dog is safe and happy while in our care.

I understand that while my dog is under the care of Boulder Ridge Kennels; Amy Herbert; and her affiliates, I may not hold them liable for any injury sustained in the event of an accident or any illness. If an injury and/or illness should occur I understand that I am solely responsible for all Veterinary costs incurred. In the event of an injury and/or illness dogs will be taken to Animal Surgery and Advocacy Services (Dr. Doug Kern) in Windham, Me or the nearest emergency clinic.

I, _____, give Boulder Ridge Kennels and Amy Herbert permission to have my dog, _____, treated by a veterinarian while under her care. I give permission for Amy Herbert and a licensed veterinarian to make medical decisions for my dog if I am unable to be reached. I understand that I will be responsible for all charges incurred. I understand and agree to not hold Boulder Ridge Kennels, Amy Herbert or her affiliates liable for any injury, accident or illness that may happen while my dog is in their care.
