- Permanent enrollment is billed in advance whether it is 2-, 3-, 4-, or 5-day use.
- There are two enrollment periods for everyday use of extended care. The first covers August through December. In December you may enroll/re-enroll for January through May. Once enrolled, you remain obligated for the entire period. It is not possible to switch back and forth between everyday and occasional use.
- If using a 2-, 3-, or 4-day block, the days must remain the same for the duration of the semester and may not be changed. If any changes are made, you will be charged a \$25 administrative fee. Two-, 3-, and 4-day users who reserve additional days during the month will be charged for those days at the daily rate for occasional users.

**CONTINUED ON BACK**

### **Part-Time Care on an As-Needed Basis**

Daily charges for part-time care are billed the month following the month in which the charges are incurred. There is a \$25 enrollment fee each semester for part-time use of the extended-care program.

I wish to register as a part-time user of the program on an as-needed basis and understand that I will be billed a \$25 enrollment fee for this enrollment period. The \$25 charge will appear on the September and/or January invoice.

Parents requiring care on an as-needed basis should make their requests as far in advance as possible through the school office and will be served on a space-available basis. Requests should be directed to May Brady or Penny Moesch. Cancellations must be made by 5 p.m. prior to the reservation or your account will be billed.
