US EQUESTRIAN FEDERATION rules are in force from the moment show management allows access to the showgrounds. This includes conduct, correct saddlery and equipment, and attire.

Liability — Horses by their inherent nature present a risk. This show, the management, the USEF Licensee, and the facility will not be responsible for any loss or damage or injury to horses exhibited, or for any article of any kind or nature that may be lost or destroyed, or in any way injured. Each exhibitor will be responsible for any injury that may be occasioned to any person, whomsoever, by any horse owned or exhibited by said exhibitor and shall indemnify the show, the management, the show committee and volunteers, the USEF Licensee, the USEF and USDF, or any member thereof, against all claims and demands, of any nature or kind, that may grow out of any injury occasioned by any horses owned or exhibited by them, or arise from the negligence of the person in charge of any such horse. All horses exhibited in this show participate entirely at the owner's risk. **Neither the Organizing Committee, show volunteers and staff, the facility or its owners, any host GMO, USEF or USDF or their members will be responsible for any damage, injury, or loss to persons, horses, or property of exhibitors or spectators. All owners and competitors are personally responsible for damages to third parties caused by themselves, their employees, their agents or their horses. They are therefore strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad, and to keep the policy up to date.**

Numbers must be worn at all times when a horse is being exercised or ridden.

Warning: Under the Equine Activity Liability Act, each participant who participates in an equine activity expressly assumes the risks of engaging in and legal responsibility for injury, loss, or damage to person or property resulting from the risk of equine activities. Please be aware of the laws specific to the show location.

Show Management reserves the right to vary or add officials and refuse any entry for a cause; to disqualify any exhibitor and/or his or her horse for cause; to cause an exhibitor to forfeit his or her ribbons and winnings for cause; to return any entry and/or stall fee before or during the show for cause; all without being liable for damage or compensation. Show management reserves the right to make any changes deemed necessary for the safe and efficient conduct of this competition.

Important notice to all affected parties: Third parties may come upon the property or enter the facilities where any herein described or listed event will occur; provided, that this is a license to enter the premises, for the purpose of observing or participating in the event, but not otherwise, and such license to any individual is subject to revocation by the owner, lessee or organizer, and entry for any purpose other than granted herein, shall be deemed criminal trespass and subject to appropriate legal proceedings.

Attention Competitors: Each competitor is responsible for supplying the show management with the correct and required association numbers of USDF and/or USEF for the horse, owner, rider, coaches, and trainer, before the day(s) of the competition. The scores of competitors who fail to supply correct numbers may not count towards national awards. The proof of these numbers must be in the form of either their actual membership/registration cards or a facsimile of them. Proof of membership must be included with entry form. Please provide the USEF/USDF Master Verification (www.eqverification.org) although membership cards or photocopies of cards are still acceptable. Failure to provide proof of USEF and/or USDF membership will result in competitor being charged non-member fees. Members that are unable to produce the USDF memberships cards/registrations or a facsimile will be asked to sign an affidavit and pay an affidavit fee. All entries are taken on a first come, first served basis. Some shows return late arriving entries after the show is filled, and some shows place entries on a wait list on a as-received basis. Please check each show for any additional policies. Send in the entries as soon as possible to assure entry to the show. **Only one horse-rider combination per entry form per show.**

Announcements: Class announcements and ride time announcements are a courtesy to the exhibitor and not all shows provide the capability of public address announcements. Exhibitors are responsible for presenting themselves to the ring at their designated time and accept the full responsibility for doing so. Competitions offering public announcements will make every effort to maintain a working PA system, but it is stressed that it is still the exhibitor's responsibility to be on time. No protest will be upheld, nor any ride time changed, on the basis of a PA breakdown or missed announcement. Ring stewards will also make every effort to keep people informed and entering the ring in a timely fashion. Exhibitors are responsible for knowing the correct show time and their scheduled performance time regardless of PA announcements or ring stewards. No protest will be upheld, nor ride time changed due to failure of the exhibitor to meeting their responsibilities.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of individual members and over 100 independent organizations throughout the United States, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

Membership Requirements for USEF-licensed/USDF-recognized Competitions: Owners and riders, including foreign riders and owners who are not residents of the US, wishing to participate in a USEF-licensed/USDF-recognized competition as a rider or owner/lessee, must have either a USDF Group Membership (GM), Participating Membership (PM), or have a USDF Non-Member (NM) identification number and pay the USDF Non-Member (NM) fee. (Note: USDF Business Members can own horses but cannot compete as riders with their USDF Business Membership.)

Horses competing at USEF-licensed/USDF-recognized competitions must have either a USDF Horse Identification (HID) number or a USDF Lifetime Horse Registration (LHR). Proper credentials or verification certificates must be presented to the competition secretary.

Riders and owners wishing to participate in a USEF-licensed/USDF-recognized competition, and not able to present the competition secretary with verification of a USDF membership or NM identification, and USDF LHR or USDF HID, must complete a USDF Competition Affidavit Form and pay the \$5 affidavit filing fee. A copy of a completed affidavit form from another competition may also be used for verification purposes for up to 60 days. (Exception: Affidavits cannot be used at Great American Insurance Group/USDF Regional Dressage Championships.)

Exceptions:

- Horses competing only in Individual Breed Classes (IBCs) at DSHB competitions, sires and dams of horses in DSHB group classes, where those sires or dams are not actually competing in the same competition, horses competing only in breed restricted dressage or DSHB classes at Regular Competitions (e.g. all Arabian, all Friesian, or all Morgan classes), or in USDF Introductory Level tests, pas de deux or quadrille, are exempt from this requirement. Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot, academy, and opportunity classes.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards Program and the USDF Regional Schooling Show Awards Program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

Horse Identification (HID) Number: A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan®/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$115) is eligible for Adequan®/USDF Year-End Awards, and eligible to compete in Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

(USEF), will be held in each of the nine USDF regions.
