

WASHINGTON STATE MUZZLELOADERS ASSOCIATION

ANNUAL TRADE GUN FROLIC

APRIL 24, 2021

Hosted by the Evergreen Muzzleloaders

EVERGREEN SPORTSMAN'S CLUB

12736 Marksman Road SW, Olympia, WA 98512

A one-day event! Trade Gun Frolic includes shooting at paper, gongs on trailwalk, and the flying (or rolling) clays from the 5-Stand. Be prepared for round ball shooting and for shots with birdshot. We will also be shooting at paper targets on the black powder range. The gongs and metal targets on the trailwalk might include some new ones that have not been used before. And we might have “after aggregate matches” in addition to the shooting done for the Trade Gun Frolic events.

Bonus points for primitive attire. Ladies, bring your trade guns!

Again we're asking for primitive blanket prizes which will be awarded to all participating shooters based on aggregate scores, in addition to the WSMA medals (which go only to the top three shooters in each class). If you would like to participate and receive a blanket prize, please donate a handmade prize of your own to go on the blanket.

In addition, the black powder range will be available for trying new guns on paper targets if a shooter wants to see where the gun is hitting. Also shot loads can be patterned.

Trade Guns must be smoothbore, flintlocks, simple trigger, with no rear sights.
