## The Wedding Cake Process

The first step to achieve your dream wedding cake is to call and schedule a tasting. A tasting at Bake My Day Café includes trying the cake flavors, frosting flavors, and filling flavors of your choice. Next, we like to sit down with your tasting party and discuss the colors, themes, and over-all style of the wedding to get an idea of your dream wedding cake. Each wedding cake is made custom to fit the couple's desires and budget.
