If you would like Kitsap Transit to discuss a specific project or service please let **Lisa Duenas**, LisaDu@kitsaptransit.com, **know when you RSVP**. Kitsap Transit established the quarterly agency group in 2012 as a way to reach Limited English Proficiency (LEP) populations through the agencies that serve them. The purpose of Kitsap Transit's Quarterly Meetings is to communicate and relay information regarding Kitsap Transit projects, services, and events with social service agencies connected with LEP communities. The expectation is that agency representatives that attend this meeting will share the information they receive with their LEP clients. Kitsap Transit also hopes to gain, from the social service agencies, an understanding of the ways that we can effectively reach LEP populations. Kitsap Transit values the input of the agencies as it relates to identifying resources for communication with LEP clients.
