

2018 NCMC Ruby Collins Memorial Redbud Treasure Hunt Clues

Clue #1

It's time once again for the NCMC Ruby Collins Memorial Redbud Treasure Hunt to start. As in years past – we don't dig, we don't climb and we stay on public property if we're smart.

Clue #2

The hot air balloons are fired up and ready to fly away. But, wait! Don't go hey, there's so much fun on the schedule today!

Clue #3

The town is excited and all in a whirl – we're expecting company, lots of guys and girls. Old, young, short and tall – We'll welcome them all.

Congratulations to Harley Sanders and Shelly Hodges, who found the treasure today!

They also had 2018 Redbud t-shirts - so they earned \$700, since the treasure wasn't found in 2017!

The treasure was hidden on the bottom of a brick on the retaining wall of the

helipad at North Caddo Medical Center. Explanation of the NCMC Ruby
