

Chula Vista Learning Community Charter School Celebrates Our Military Families

Chula Vista Learning Community Charter School Newsletter

Creating Knowledge to Transform the World

We believe in the full potential of each and every individual to act with integrity and create their own knowledge.

At the Chula Vista Learning Community Charter School, students are respected as intellectuals as they develop their individual and authentic self. Our robust academic program is focused on expanding language, developing core ethics, and building knowledge across content areas.

Second Generation of Chula Vista Learning Community Charter High School Students will graduate with a diploma in May at the University of San Diego

On May 31, 2017, students will be receiving their High School Diplomas at the University of San Diego. The ceremony will take place in the university's Shiley Theater at 3:00 pm. We look forward to this event and we thank the participation of our parents, community members, and graduates.

Our Keynote Speaker this year is Marcela Celorio, Consul General de México, San Diego. She will be speaking to our graduates about the advantages of being Bilingual and Bicultural in an age of challenging mindsets.

On the same day, our 8th grade students will be promoted to High School at 10:00 am at the same location.

For additional information, please contact the school secretary.

Seniors will be attending Grad Nite at Disneyland this year on Friday, May 16, 2017.

Thank you Chula Vista Learning Community Charter School Elementary Site for the amazing Talent Show!

Chula Vista Learning Community Charter School Parents participated in technology classes held in April at the Innovation and Leadership Building. We look forward to providing future courses for ou

Chula Vista Learning Community Charter School Second Reading on May 3, 2017

Thank you Chula Vista Learning Community Charter School Parents and Community for participating at Wednesday’s Chula Vista Elementary School District Board Meeting on May 3, 2017.

The approval of the Charter Petition gives the school an additional five years to provide an educational program to our students that focus on our 4 Pillars of Excellence (Dual Language, Global Perspectives, Social Justice, and Community Engagement):

Dual Language Program: The Chula Vista Learning Community Charter School’s 50/50 Model was the first dual language model in our district. We are founding members of the movement toward biliteracy in Chula Vista

Global Perspectives: The Chula Vista Learning Community Charter School is the first multicultural represented Micro Society Program that highlights classrooms as museums from countries around the world. The curriculum focuses on themes to challenge thinking about global issues

Social Justice: The Chula Vista Learning Community Charter School is one of the pioneers in challenging students to address topics that deal with inequities in our institutions, as well as societal perspectives. The connection of Human Rights in our History program challenges us to move the curriculum to deep rooted issues in support of humanity

Community Engagement: The Chula Vista Learning Community Charter School has become a model for our district in parent engagement. The school has challenged itself in shifting from traditional participation activities to one that engages parents in taking ethical responsibility in supporting the school in achieving academic progress.

Ways to improve my level of engagement at school..

How does my level of engagement at the Chula Vista Learning Community Charter School look like as a parent? First, engagement equals the opportunity to become involved in a variety of activities within the organization. Second, involvement means to be fully present during the activity and believe the activity has some value to my own development as a human. Third, my development will strengthen my relationship with my family as I become part of the school community. Finally, my level of engagement enhances the mission and vision of the Chula Vista Learning Community Charter School.
