

Daniel R. Taber, PhD, MPH

Healthy Food America
1200 12th Ave. S, Suite 710
Seattle, WA 98144
Phone: 206-451-8196; Email: dtaber@hfamerica.org

CURRENT POSITION

Vice President of Research and Evaluation
Healthy Food America

PROFESSIONAL EXPERIENCE

Assistant Professor 2013 – 2016
Department of Health Promotion and Behavioral Sciences
University of Texas Health Science Center at Houston

Visiting Scholar May – July 2015
Global Obesity Prevention Center
Johns Hopkins Bloomberg School of Public Health

EDUCATION & TRAINING

Postdoctoral fellowship 2010 – 2012
Institute for Health Research and Policy, University of Illinois at Chicago

PhD, Epidemiology 2005 – 2010
University of North Carolina at Chapel Hill

MPH, Health Services 2003 – 2005
University of Washington

BA, Religious Studies 1995 – 1999
Pomona College

PEER-REVIEWED PUBLICATIONS

1. Auerbach B, Wolf F, Hikida A, Vallila-Buchman P, Littman A, Thompson D, Loudon D, **Taber D**, Krieger J. Fruit juice and change in body mass index: a meta-analysis. *Pediatrics* (in press).

FUNDING

Past

NICHD K99/R00 HD073271

7/20/2012 – 6/30/2016

Role: Principal Investigator

“How economic and neighborhood factors modify effects of school obesity policies”

CONFERENCE PRESENTATIONS and POSTERS

Presentation (discussant): “The socioeconomic impacts of policy change: contrasting examples of how policy affects inequality,” International Society of Behavioral Nutrition and Physical Activity Annual Meeting, 2017 [Victoria, Canada]

Presentation: Olstad DL, Teychenne M, Minaker LM, **Taber DR**, Raine KD, Nykiforuk CI, Ball K. “Can policy ameliorate socioeconomic inequalities in obesity and obesity-related behaviors?” International Society of Behavioral Nutrition and Physical Activity Annual Meeting, 2017 [Victoria, Canada]

Poster: Nau C, **Taber DR**, Ellis H, Chriqui JF, Quinn CM, Chaloupka FJ. “Tailoring obesity prevention efforts: What makes an obesogenic environment in high and low income communities?” International Society of Behavioral Nutrition and Physical Activity Annual Meeting, 2016 [Cape Town, South Africa]

Presentation (discussant): “Food policy and systems change: how to monitor and evaluate changes in the global food supply,” International Society of Behavioral Nutrition and Physical Activity Annual Meeting, 2016 [Cape Town, South Africa]

Poster: **Taber DR**, Nau C, Ellis H, Quinn CM, Chaloupka FJ. “Using conditional random forests to identify determinants of obesogenic communities,” International Congress on Obesity, World Obesity Federation, 2016 [Vancouver, BC, Canada]

Presentation: **Taber DR**, Chriqui JF, Quinn CM, Rimkus LM, Chaloupka FJ. “Healthy food zoning and the neighborhood food environment: can permitted-use zoning promote healthier communities?” Society of Behavioral Medicine Annual Meeting, 2016 [Washington, D.C.]

Presentation: **Taber DR**, Robinson WR. “Are disparities in adolescent obesity attributable to environmental characteristics? An illustration of Oaxaca-Blinder decomposition.” Society for Epidemiologic Research Annual Meeting, 2015 [Denver, CO]

Presentation: **Taber DR**, Chriqui JF, Quinn CM, Rimkus L, Chaloupka FJ. “The association between school district nutrition policies and the neighborhood food environment: are different communities targeting different sectors?” International Society of Behavioral Nutrition and Physical Activity Annual Meeting, 2015 [Edinburgh, Scotland]

Poster: **Taber DR**. “Blinder-Oaxaca decomposition of racial disparities in adolescent obesity: are we looking at the wrong behaviors?” The Obesity Society Annual Scientific Meeting, 2014 [Boston, MA]

Poster: **Taber DR**, Chriqui JF, Kelder SH, Chaloupka FJ. “The association between state bans on soda only and adolescent substitution with other sugar-sweetened beverages,” International Society of Behavioral Nutrition and Physical Activity Annual Meeting, 2014 [San Diego, CA]

Presentation: **Taber DR**, Chriqui JF, Perna FM, Powell LM, Chaloupka FJ. “Timing is everything: how the immediate effects of competitive food laws are limited to schools in high-income areas,” International Society of Behavioral Nutrition and Physical Activity Annual Meeting, 2013 [Ghent, Belgium]

Presentation: **Taber DR**, Chriqui JF, Perna FM, Slater S, Powell LM, Chaloupka FJ. “Comprehensive effect of PE and competitive food laws: why researchers and policymakers must consider both sides of the energy balance equation,” American Public Health Association Annual Meeting, 2012 [San Francisco, CA]

Presentation: **Taber DR**, Chriqui JF, Chaloupka FJ. “How school meal nutrition laws may offset disadvantages in healthy food availability within the home,” The Obesity Society Annual Scientific Meeting, 2012 [San Antonio, TX]

Poster: **Taber DR**, Chriqui JF, Powell LM, Chaloupka FJ. “Association between state laws governing school meal nutrition content and obesity: a difference-in-difference analysis,” The Obesity Society Annual Scientific Meeting, 2012 [San Antonio, TX]

Presentation: **Taber DR**, Chriqui JF, Slater S, Powell LM, Chaloupka FJ. “Showing up to class is not enough: policies that only require PE attendance do not reduce socioeconomic disparities in physical activity,” Active Living Research Annual Conference, 2012 [San Diego, CA]

Presentation: **Taber DR**, Chiqui JF, Powell LM, Chaloupka FJ. “Do students compensate for school beverage laws? Evidence that removing sodas from schools is not enough,” American Public Health Association Annual Meeting, 2011 [Washington, D.C.]

Presentation: **Taber DR**, Chiqui JF, Perna FM, Powell LM, Chaloupka FJ. “Longitudinal association between state policies governing the school food environment and within-student weight change,” The Obesity Society Annual Scientific Meeting, 2011 [Orlando, FL]

Poster: Hales D, Stevens J, **Taber DR**, Murray D. “State-level physical education/activity policy change and student physical activity levels,” The Obesity Society Annual Scientific Meeting, 2011 [Orlando, FL]

Presentation: Chiqui JF, Turner L, **Taber DR**, Slater S, Chaloupka F. “The impact of state laws related to infrastructure and safe routes to school on elementary school policies and practices related to walking and biking to school,” Active Living Research Annual Conference, 2011 [San Diego, CA]

Presentation: **Taber DR**, Stevens J, Evenson KR, Ward DS, Poole C, Maciejewski ML, Murray DM, Brownson RC. “State policies targeting junk food in schools: racial/ethnic differences in the effect of policy change on soda consumption,” The Obesity Society Annual Scientific Meeting, 2010 [San Diego, CA]

Poster: **Taber DR**, Stevens J, Poole C, Maciejewski ML, Evenson KR, Ward DS. “State disparities in time trends of adolescent adiposity and weight-related behaviors,” Society for Epidemiologic Research Annual Meeting, 2010 [Seattle, WA]

Poster: **Taber DR**, Charneco EY, Pratt CA, Phillips JA, Dowd M, Going SB. “Association between physical fitness and sports participation among adolescent girls,” The Obesity Society Annual Scientific Meeting, 2009 [Washington, D.C.]

Poster: **Taber DR**, Stevens J, Lytle LA, Foreman RD, Moody J, Parra-Medina D, Pratt CA. “School versus non-school-based programs in their effect on adolescent activity,” The Obesity Society Annual Scientific Meeting, 2008 [Phoenix, AZ]

Presentation: Saksvig BI, Neumark-Stzainer D, Felton GM, Sothorn M, Reeves J, Cohen S, **Taber DR**. “A behavioral skills intervention to promote physical activity in adolescent girls: impact on self-efficacy, social support, perceived barriers, self-management strategies, and outcome expectancies,” International Society of Behavioral Nutrition and Physical Activity Annual Meeting, 2008 [Banff, Canada]

Presentation: Han E, Stevens J, Truesdale KP, **Taber DR**, Cai J. “Impact of overweight and obesity on all-cause hospitalizations in African American and White men and women,” The Obesity Society Annual Scientific Meeting, 2007 [New Orleans, LA]

Poster: **Taber DR**, Stevens J, Murray DM, Elder JP, Webber LS, Lytle LA. “Effect of physical activity intervention on self-report bias: Trial of Activity for Adolescent Girls (TAAG),” The Obesity Society Annual Scientific Meeting, 2007 [New Orleans, LA]

Poster: Stevens J, **Taber DR**, Murray DM, Ward DS. “Hazards of over-interpretation of pilot studies in intervention research,” International Society of Behavioral Nutrition and Physical Activity Annual Meeting, 2007 [Oslo, Norway]

Poster: Han E, Truesdale KP, **Taber DR**, Juhaeri, Stevens J. “The effect of obesity on hospitalizations: The ARIC Study,” Academy of Health conference, 2007 [Orlando, FL]

Presentation: Stevens J, **Taber DR**. “Do’s and don’ts of obesity prevention trials,” Proceedings of International Congress of Obesity, 2006 [Sydney, Australia]

Presentation: **Taber DR**, Meischke H, Maciejewski ML. “Taking social cognitive theory to a new level: understanding the mechanisms that influence college students to be physically active,” International Society of Behavioral Nutrition and Physical Activity Annual Meeting, 2006 [Boston, MA]

INVITED TALKS

“The truth we don’t want to hear: have policies increased obesity disparities?” The Obesity Society Annual Scientific Meeting, November 2016

“How we translate research into policy” National Institutes of Health, September 2016

“Systems science – the bridge between epidemiology and policy?” University of North Carolina at Chapel Hill, March 2016

“Competitive food policies ‘work’ ... but where?” Smart School Foods Coalition, August 2015

“Food policy resistance: using system dynamics to explore why policies fail,” Johns Hopkins University Global Obesity Prevention Center, June 2015

“Childhood obesity prevention: translating science into policy and systems change,” Michael & Susan Dell Community Collaborative for Child Health, October 2014

Panelist for summit on Latino childhood obesity, Congressional Hispanic Caucus Institute, April 2014

“Public health strategies for obesity prevention and control: experience in the United States of America,” Mexican National Conference of Governors, February 2014

“Reducing childhood obesity through public policy: are schools the wrong target?” Temple University Center for Obesity Research and Education, January 2014

“The need for systems thinking in obesity policy research: could school nutrition policies backfire?” University of Minnesota, January 2014

“Unintended consequences: do school nutrition policies result in more consumption of soda or fast food?” The Obesity Society Annual Scientific Meeting, November 2013

“Childhood obesity: does policy matter?” Furman University, October 2013

“The need for systems thinking in school nutrition policy research.” University of Wisconsin-Madison, April 2013

“The price we pay to reduce obesity: are school nutrition and PE policies making health disparities worse?” New York University, September 2012

“Will USDA school meal reforms reduce adolescent obesity? Evidence from a difference-in-difference analysis.” University of Texas School of Public Health – Austin Regional Campus, March 2012

“Racial/ethnic differences in the effects of state policies targeting junk food in schools.” Department of Preventive Medicine and Epidemiology, Loyola University of Chicago Stritch School of Medicine, September 2010

TEACHING

Instructor

“*Systems Science and Obesity*” 2016
Johns Hopkins University Bloomberg School of Public Health

“*Systems Thinking in Public Health*” Fall 2015
University of Texas School of Public Health

“*Complex Systems and Obesity in Human Populations*” Summer 2015
Johns Hopkins University Bloomberg School of Public Health

“*Research Seminar in Health Promotion & Behavioral Sciences*” Spring 2015
University of Texas School of Public Health

“*Independent Study in Health Promotion & Behavioral Sciences*” 2015 – 2016
University of Texas School of Public Health

Guest lecturer

“*Public Health Nutrition*,” University of Texas School of Public Health – March 2014, March 2015, April 2016

“Social Epidemiology: Concepts and Measures,” University of North Carolina at Chapel Hill – February 2014 and February 2016

“Research Seminar in Health Promotion & Behavioral Sciences,” University of Texas School of Public Health – September 2013 and March 2016

“Social Network Analysis,” University of Texas School of Public Health – October 2015

“Food Policy,” University of Texas School of Public Health – October 2014

“Fundamentals of Public Health,” Furman University – October 2013

Teaching Assistant

“Introduction to Logic and Probability Logic in Epidemiology” 2009
University of North Carolina – Chapel Hill

“Theory and Quantitative Methods in Epidemiology” 2009
University of North Carolina – Chapel Hill

“Evidence-Based Medicine I” 2007 – 2009
Duke University School of Medicine

AWARDS and HONORS

Citation Abstract 2016
Society of Behavioral Medicine

Science Communications residency 2015
The Banff Centre
Two-week competitive program to promote science communications and outreach

Early Career Award – poster 2014
International Society for Behavioral Nutrition and Physical Activity

NIH Health Disparities Research Loan Repayment Program 2012 – 2016
National Institute on Minority Health and Health Disparities

Ethan Sims Young Investigator Award Finalist 2011
The Obesity Society

Caroline H. and Thomas S. Royster Fellowship 2005 – 2010
University of North Carolina – Chapel Hill
Five-year fellowship covering tuition, fees, stipend, and funds for professional travel.

Healthy People scholarship	2005
<i>University of Washington</i>	
Scholarship to attend Healthy People 2005 conference	
Theta Alpha Kappa	1999
<i>National honor society for Religious Studies and Theology</i>	
Senior Thesis with Distinction	1999
<i>Department of Religious Studies, Pomona College</i>
