Communion Service - Monday 8:30 a.m.

On this holiday weekend marking the “unofficial” start of the summer season we highlight our belief of One God in Three Persons –Father, Son and Holy Spirit– as we celebrate the Feast of the Holy Trinity. Today, we focus on the image of God in which we have been created. The Trinity shares God’s inner life with the Church – the Body of Christ animated by the Spirit. In essence this feast celebrates the “community” of God and offers us a model for living in love and harmony with one another. We are reminded today that to know God as a Trinity of Persons is to be drawn into a relationship of love which is at the heart of who God is. Thus Trinity inspires praise and glory in all of us this day.

Many thanks to all who made our recent Easter season one of joy and blessings. My thanks to our Parish Liturgy Committee for their unique and inspiring environment; to our Music Ministry for their weekly joyful contribution to our prayer and praise; and to our many liturgical ministers for their faithful and dedicated service to God and our parish.

Finally, on this holiday weekend in which we remember all those who courageously gave their life in service for the many freedoms we enjoy, let us give thanks and remember in prayer all of our beloved dead and all those who continue to serve in the Armed Forces on our behalf and for our country. Have a safe and Happy Memorial Day holiday.

*Have a great week,  
Fr. Balash*

## Update on Bishop Murry

Bishop Murry has been at the Cleveland Clinic for three weeks receiving chemotherapy treatment for acute leukemia. Recent tests have indicated that he is responding well to treatment. The current focus is now on how well bone marrow regenerates the production of blood and platelets. Bishop Murry is most appreciative of all the prayers and support.

Please continue to keep Bishop Murry in our prayers

*Father in heaven*

*hear our prayers for your Shepherd  
and ours, Bishop Murry,*

*Give him healing and health.*

*Grant him strength and courage during  
his time of treatment.*
