To issue an insurance policy we need to obtain information about you and any other persons proposed for insurance. Some of that information will come from you and some will come from other sources. We may obtain information relating to any proposed insured's mental and physical health, general character and reputation, habits, finances, occupation, other insurance coverage, or participation in hazardous activities.

This information may be obtained from physicians, medical professionals, hospitals, clinics or other medical care institutions, or from MIB, Inc. ("MIB"), public records, consumer reporting agencies, financial sources, other insurance companies, agents, friends, neighbors and associates. We may obtain information through exchanges or correspondence, by telephone or by personal contact.

Information regarding your insurability or claims will be treated as confidential. The Company or its reinsurers may, however, make a brief report thereon to MIB, a not-for-profit membership organization of insurance companies, which operates an information exchange on behalf of its members. If you apply to another MIB member company for life or health insurance coverage or a claim for benefits is submitted to such a company, MIB, upon request, will supply such company with the information in its file. Upon receipt of a request from you, the MIB will arrange disclosure of any information it may have in your file. If you question the accuracy of information in MIB's file, you may contact MIB and seek a correction in accordance with the procedures set forth in the federal Fair Credit Reporting Act. The address of the MIB's information office is 50 Braintree Hill, Suite 400, Braintree, Massachusetts 02184-8734; telephone number (866) 692-6901 (TTY 866-346-3642); website address www.mib.com. The Company or its reinsurers may also release information in its file to other life insurance companies to whom you may apply for life or health insurance, or to whom a claim for benefits may be submitted.

Furthermore, as part of our procedure for processing your insurance application, an investigative consumer report may be prepared whereby information is obtained through personal interviews with your neighbors, friends, associates, or others with whom you are acquainted.

This inquiry and any subsequent investigative consumer report update which may also be requested includes information as to your character, general reputation, personal characteristics, and mode of living.

You have the right to be personally interviewed if we order an investigative consumer report. Please notify our agent if this is your wish. You are also entitled to receive a copy of the investigative consumer report whether or not an interview is conducted. You also have the right to make a written request within a reasonable period of time to receive additional, detailed information about the nature and scope of this investigation.

To reduce costs and offer insurance coverage at the lowest possible premium, the Company may also use a Personal History Interview. A specially trained interviewer may call to discuss information contained in your application or to ask questions related to the underwriting of your insurance. We will attempt to conduct this telephone interview at your convenience and at a number you designate.

In the event of an adverse underwriting decision, upon written request, we will provide you with the specific reason in writing for that adverse underwriting decision.

As a general practice, we will not disclose personal information about you to anyone else without your consent, unless a legitimate business need exists or disclosure is required or permitted by law. A description of the circumstances under which information about you might be disclosed without your authorization will be sent to you upon request.

You have a right of access to personal information we maintain in our files and to request correction, amendment, or deletion of any information you believe to be incorrect. You may request a description of established procedures which will allow access to and correction of such personal information.

If you wish to have a more detailed explanation of our information practices, including your rights of access to and correction of personal information, please contact the Underwriting Department at the above address.

Notice and Consent Form for Testing Which May Include AIDS Virus (HIV) Antibody/Antigen Testing

1001

Ameritas Life Insurance Corp. ("Company") P.O. Box 81889, Lincoln, NE 68501 / 800-745-1112, Fax 402-467-7335

Examiner: _____

Address: _____

To determine your insurability, the Insurer named above (the Insurer) has requested that you provide a sample of your body fluids for testing and analysis. All tests will be performed by a licensed laboratory.

Tests will be performed to determine the presence of HIV antibodies or antigens to the Human Immunodeficiency Virus (HIV) also known as the AIDS virus. The HIV antibody test that we perform is actually a series of tests done by a medically accepted procedure. The HIV antigen test directly identifies AIDS viral particles. These tests are extremely accurate. Other tests which may be performed include determinations of cholesterol and related lipids (fats), and screening for liver and kidney disorders, diabetes and immune disorders.

All test results will be treated confidentially. They will be reported by the laboratory to the Insurer. When necessary for business reasons in connection with insurance you have or have applied for with the Insurer, the Insurer may disclose test results to others involved in the underwriting and claims review process. If the HIV test is positive, the results will be reported to the local health department or the State Department of Health, and if the Insurer is a member of MIB, Inc. ("MIB"), the Insurer may report the results in a generic code which signifies only a non-specific test abnormality. If your HIV test is normal, no report will be made about it to MIB. Other test results may be reported to MIB in a more specific manner. The organizations described in this paragraph may maintain the test results in a file or data bank. There will be no other disclosure of test results or even that the tests have been done except as may be required or permitted by law or as authorized by you.

If your HIV test results are normal, no routine notification will be sent to you. If the HIV test results are other than normal, the Insurer, your designated physician or your local Health Department will contact you. The Insurer may also contact you if there are other abnormal test results which, in the Insurer's opinion, are significant. The Insurer may ask you for the name of a physician or other health care provider to whom you may authorize disclosure and with whom you may wish to discuss the results.

Positive HIV antibody/antigen test results do not mean that you have AIDS, but that you are at significantly increased risk of developing AIDS or AIDS-related conditions. Federal authorities say that persons who are HIV antibody/antigen positive should be considered infected with the AIDS virus and capable of infecting others.

Positive HIV antibody or antigen test results or other significant blood abnormalities will adversely affect your application for insurance. This means that your application may be declined, that an increased premium may be charged, or that other policy changes may be necessary.

In the event of a positive HIV test result, I authorize the Insurer to send test results to the following physician or health care provider for post-test counseling and for Health Department reporting purposes:

Name and address of designated physician/health care provider: _____

I understand that I have the right to request and receive a copy of this authorization. A photocopy or transmitted facsimile of this form will be as valid as the original.
