

The July 23, 2018 Green Space Committee Meeting was called to order at 10:00AM by our President, Margaret Williford. Those in attendance were Sandy Komaskinski, Barbara Vanecko and Joan Solbeck. Ausra Zarins was on vacation.

Since our prior meeting, Margaret has heard from an out-of-town land owner who expressed interest in donating a lot to Green Space. Margaret sent him our letter on tax information regarding land donations. She will continue to follow his interest if he chooses to pursue making a donation.

We discussed remaining vigilant to the activities of the Park Board in deliberating land use concerning a possible cell tower.

We have decided to work with the Shirley Heinze organization's representative Paul Zucker to plan a Sunday afternoon program in March or April of 2019. The purpose of the meeting would be to help Beverly Shores' residents understand the work of the Shirley Heinze Land Trust as well as the purpose of our Green Space Committee. In preparation for this meeting, we will create a brochure/hand out to distribute. We discussed ideas for completing this brochure.

Our next meeting will be held on August 27th at 10:00AM in the Administration Building meeting room.

Our meeting adjourned at 11:00AM.

Barbara Vanecko, Secretary
