“Redefining Discipline”

The strategies to embrace with
your preschoolers

Diane Mote, LPC

December 11, 2013

Beth Onufrak, PhD.

Clinical Child Psychologist, Beth Onufrak is trained in therapy, testing, and research. With a doctorate from the University of Florida and two post-doctoral fellowships, Dr. Beth has 19 years of clinical work experience with children. Her creative use of puppets engage children in a playful and comfortable way that helps them understand difficult or subtle ideas. Dr. Beth maintains a private practice specializing in children ages 3-8.

Teri V. Krull, LCSW, MSW, Registered Play Therapist Supervisor and Board Certified Diplomat is the Director of The Center for Positive Regard, a play therapy education/ supervision and counseling center. Teri has worked in the field for 40 years and has a 28-year private practice specializing in the treatment of children and families. She also provides parent coaching. Teri is a nationally recognized presenter in the field of play therapy and recently received the Lifetime Achievement Award from the Arizona Chapter of the National Association of Social Workers. Her office is located in Mesa, Arizona. You can reach her by calling 480-917-7792.

Diane Mote, LPC, MA is in private practice and specializes in working with children, families and adults. She works as a consultant guidance counselor at several preschools and private schools around the Valley. With two Masters' degrees, one in Special Education and one in Counseling, Diane has held workshops/seminars for teachers and parents. Her book, *Walking in Backwards: Vignettes for Healing Through Therapy*, was published in 2007.
