REFUNDS:

-If within TWO WEEKS of bringing your rabbit home and you discover that you have allergies to the bunny or hay, we **will give you a full refund**. We will also gladly take the rabbit back at any time you decide against keeping it. We would only give a refund, however, if it was due to an unavoidable problem such as allergies.

-If your bunny gets sick within the first week of taking it home you may bring it back and we will refund or allow you to pick another one from a future litter.

PICK UP:

-Rabbits can be picked up at our home in Sabetha, KS. Please bring a cardboard box or clean sanitized pet carrier, filled with hay. Do not hold new bunny on car trip home. Car rides often make bunnies nervous so providing it some personal space to settle down in would be best.

-I will occasionally be able to meet you halfway or somewhere within a reasonable distance for us within KS/NE for you to pick up your bunny. The rabbit must have a deposit placed on it FIRST and the remaining balance plus mileage will be charged at pickup.

Feel free to text me any time to tell us how your rabbit is doing or with any questions whatsoever. We love hearing about the bunnies that we sell. We also love to see pictures of them in their new home or with their new owners!

Thank you!!
