# ORGANIZATION SPOTLIGHT

## L.I.O.N. - "Leading Light" In Our Neighborhoods

### *King of Kings with the Mightiest of Courage*

**Mission:** A human services organization committed to engage the minds and ennoble the lives of boys and young men of color by providing them guidance and the resources to achieve personal power through economic empowerment, healthy living, personal growth, academic achievement and cultural enrichment.

**Serving** Camden, Cumberland, Gloucester and Salem counties, our organizational culture is based on strength, confidence and competence that individuals gradually acquire in the course of their development. It represents a movement towards self-realization and extraordinary goals in life. The primary aim is mastery of self, not others, based on competence, vision, positive personal qualities, service and PRIDE..Personal Responsibility In Developing Excellence. Pride is a feeling of self-respect and personal growth. Satisfaction is derived from one's own achievements, the achievements of those with whom one is closely associated.

**Priorities and Goals:** **Economic Empowerment** - Understand how money works in the world. How someone manages to earn or make it, how that person manages it, how he invests it and how that person donates it to help others. **Healthy Living** - It's Important to be happy and healthy. Health is a state of complete physical, mental and social well-being and not merely the absence of disease or sickness. Learn what it takes to have a healthy mind, body and spirit. **Personal Growth** - Empower and prepare for a life of excellence personally, academically and in their chosen path in life. Focuses on improving self-esteem and instilling valuable learning skills and character traits. **Academic Achievement** - Essential skills for achievement and success in the 21st century; and **Cultural Enrichment** - Explore perceptions and challenge stereotypes. Engage in activities that allow participants to respond to cultures in a way that enriches their relationship to the surrounding communities and the world.
