

Parent Code of Conduct

We, Triton Multisports Cyclones, have implemented the following Sport Parent Code of Conduct for the important message it holds about the proper role of parents in supporting their child in sports. Parents should read, understand and sign this form prior to their children participating on our team. Any parent guilty of improper conduct at any event or practice will be asked to leave the premises and be suspended from the following event.

I therefore agree:

1. I will not force my child to participate in triathlon.
2. I will remember that children participate to have fun and that the event is for youth.
3. I will inform the coach of any physical disability or ailment that may affect the safety of my child or of others.
4. I will learn the rules of triathlon.
5. I (and my guests) will be a positive role model for my child and encourage Sportsmanship by showing respect and courtesy, and by demonstrating positive support to all athletes, coaches, officials and spectators at every event or practice.
6. I will not encourage any behaviors or practices that would endanger the health and well being of the athletes.
7. I will demand that my child treat other athletes, coaches, officials and spectators with respect regardless of race, creed, color, sex or ability.
8. I will praise my child for competing fairly and trying hard, and make my child feel like a winner every time, and focus on the importance of doing ones best.
9. I will refrain from coaching my child or other athletes during practices and events.
10. I will remind myself that triathlon is an individual sport, but will become stronger with the support of the whole team.

I have read and understand the Cyclones/Triton Multisports Triathlon Team Code of Conduct and have reviewed it with my child before signing below:
