CERTIFICATE OF STABILITY

Name of the Institute: Nazareth Academy

Address : Ghusal Khana Road known as Club Road, Mohalla – Karimganj, Gaya

I certify that I have inspected the building of the Nazareth Academy built up on Plot No : 195, 197, 198, Khata No: 119, Tauzi No: 2494, Municipal Holding No: 103 (O) 232 / 280 (N), Ward No: 4 (O) 25 (N) located at Ghusal Khana Road known as Club Road, Mohalla – Karimganj, Gaya

I have done the Structural Audit based on the visual inspection of the accessible parts / areas of the building. Based on the visual observations, visual symptoms & manifestations shown by the structure and the data collected from site, I am of the opinion that the said structure / building is structurally sound and that its stability will not be endangered by their use as a residential / school for which structure / building is intended.

This certificate will come in force only after, conducting detail investigation such as Non Destructive Tests, soil investigation, repairs, strengthening, retrofitting or any other measures required are carried out to make the building / structure safe.

The stability of the structure is assessed only for dead and live load and that too, based on the visual observations of superstructure and it do not cover any risk arising due to earthquake, wind, fire, vibrations etc. and any other unforeseen forces causing distress and instability to the structure.
