

# Friends of The Day School 2016 - 2017

**Why Become a “Friend” of The Day School?**

Our Friends Foundation was started over 9 years ago by fellow moms of The Day School. These moms wanted to ensure that their children received the best early childhood education possible. Over the years, our moms have built upon their vision and have blessed The Day School with a priceless non-profit foundation which enhances The Day School experience for each and every child. Money raised by the foundation, through memberships and events is an essential source of funds for classroom supplies, equipment and curriculum enrichment. While your tuition payment covers the majority of your child’s educational experience, the Friends Foundation funds:

- Enhancement of the facilities by providing and maintaining playground equipment
- Provide continued academic and cultural art offerings such as spanish, media room equipment, physical education and workshops for the staff development
- Physical facility improvements such as tables, chairs and dramatic play areas
- Provide educational workshops for parents

**How Do You Join?**

Simply fill out the attached form and send it in your child’s book bag or hand it into the office. All donations are greatly appreciated and are tax-deductible. If you have any questions, please contact Jennifer Weber @ [jrweber81@gmail.com](mailto:jrweber81@gmail.com) or simply visit The Day School Office. Our goal this year is to raise \$20,000. Every gift matters because every child matters. Together we are enriching the early childhood education for every child at TDS.

**Volunteer Opportunities**

There is no better way to get to know a school than to volunteer. We encourage you to join one of our Friends Foundation events committees to get to know other moms and to truly become involved in The Day School Family. You can sign up at orientation, contact Jennifer Weber or visit The Day School office to find out how to get involved.
